PENTECOST The Birthday of The Church. Sunday, June 5, is Pentecost Sunday—the day on which we celebrate the Birthday of the Church. It was on the Day of Pentecost, seven weeks after the resurrection of Christ, that the Apostle Peter preached the first Gospel sermon. Three thousand people accepted Christ and were baptized into Him, becoming the first converts to Christianity. From that beginning, the Church of Jesus Christ has spread through twenty centuries to become the most powerful force for good the world has ever seen.
