

# WHAT does the CHURCH MEAN to You

- Is it something to put up with?
- Is it all right for the women and children?
- Is it a good place to send your children on Sunday morning so that you can relax?

OR

- Is it one place you can go and feel refreshed and strengthened from having worshipped God?
- Is it the place where you can gain surcease from a guilty conscience and the bondage of sin?
- Is it the place where you can go as a family group and find that it draws your family closer together in love?
