

# Morrow County Health & Tuberculosis Assn.

The State Department of Health, and  
The Oregon Health and Tuberculosis Association

## ANNOUNCE

# FREE CHEST X-RAY SERVICE

To the People of Morrow County at the following places:

IRRIGON--School House, 9 a. m. Tuesday, September 6

BOARDMAN--School House, 2 p. m. to 5 p. m. Tuesday--6th

LEXINGTON--Main Street, 9 a. m. to 12 noon September 7

IONE--Legion Hall, 2 p. m. to 5 p. m. September 7

HEPPNER -- Rodeo Grounds, 12 noon to 5 p. m. Sept. 8

HEPPNER--Carnival Grounds, 7 to 10 p. m. Sept. 8

If you are a resident of Morrow County, and are 16 years of age or older, you are entitled to take advantage of the tax-supported x-ray facilities that will be placed at your disposal September 6, 7, and 8.

Do you KNOW you do not have tuberculosis?

You, like many others, may have TB germs in your body. Ordinarily, when one thousand people are x-rayed, about 990 show healthy chests--ten have TB. Probably you are one of the 990 healthy ones--but do you KNOW

A chest x-ray is the quickest and easiest way to make sure you're not one of the 500 thousand people in this country estimated to have active tuberculosis. With modern x-ray equipment your chest can be checked in a few minutes. You just take a deep breath--hold it--that is all. It could not be simpler.

Last year only 18 per cent of eligible Morrow county residents availed themselves of the state's free x-ray service. Health authorities estimate that 80 per cent of the county's population must be checked before they can find out whether or not TB is a problem here.

The following business people of Heppner urge you to take  
advantage of this FREE X-RAY SERVICE:
