IT'S BAD LUCK... to be careless with FIRE in the WOODS. Most people know it's bad luck to be careless with fire in the woods. But sometimes they forget. Then the fire demon has his day. He destroys standing timber. He damages growing trees. He kills seedling trees that would be tomorrow's wood supply. Every-one loses but the fire demon. Don't bring bad luck to your neighbors—your community—your pocketbook. Remember! It's bad luck to be careless with fire in the woods. Kinzua Pine Mills Co.
