

Mrs. Lucy Peterson and daughters Alice, Ruth and Martha returned the last of the week from Astoria where they spent a pleasant couple of weeks with her parents, Mr. and Mrs. Frank Spittle. Mrs. Lucy Rodgers has been visiting in Seattle the past week. Her brother-in-law is seriously ill and she has gone to be with her sister, Mrs. Sara McNamer, who took her as far as Pasco.

The lone 4-H clothing club met at the home of Mrs. John Graves Thursday afternoon to finish garments that will be exhibited at the fair. Booths were planned and the completed garments were arranged for exhibition. Ingrid Hermann and Ruby Ann Rietmann performed a shrinking-of-cotton materials demonstration that also will be presented at the fair.

Mrs. George Macready and children have been visiting at the home of Rev. and Mrs. Elvon Tull since Saturday evening. They returned to their home in Cottage Grove this morning. Mr. and Mrs. Walter Barger have added the fifth daughter to their family as of this morning, at Pendleton hospital. She weighed in at 6 pounds 7 ounces and her name is Deborah Kay. Mr. and Mrs. Merle Becket and son Paul returned last week from a two-week vacation in the Teton mountains and in Yellowstone Park. Merle said they used eight rolls of film to record scenes and happenings of the trip. Sixty-three of the shots were good. Mr. and Mrs. Frank Collins and Mr. and Mrs. George Ross were visitors a few days at the W. C. Collins home. All have returned to their homes in Cottage Grove except Mr. Hollins who remained for a couple of weeks to assist in his nephew's cleaning establishment. Visitors in Hepner and Lexington the past week were Mr. and Mrs. Henry Welke and son Donald of Harvard, Ill. Mrs. Welke is a niece of the Rauch brothers and Mrs. Alex Hunt and Mrs. G. Hermann. Mr. Welke is a printer and true to the traditions of the trade he called at the Gazette Times office to keep in touch with the smell of printer's ink. The visitors are spending a few days in Portland this week and will return to the county for another visit before turning homeward. Miss Leta Humphreys entertained a few friends at dinner last Thursday night in honor of Mrs. Hazel Gowan of Pasadena, Calif., who made an overnight visit in Hepner. Enjoying Miss Humphreys' hospitality were Mrs. Gowan, Mrs. J. O. Turner, Mrs. Charles Vaughn and Mrs. Josephine Mahoney. All were members of the class of 1911 of Hepner high school and reminiscing and intensive visiting were the order of the evening.

PLAYERS EAGER

backfield of returning lettermen at right half; Norman Ruhl, 180-pound senior at left half, and Bob Bergstrom, 190-pound senior at fullback will form the nucleus of the team. Marion Green, 145-pound junior, is a likely candidate for the quarterback position although he is lacking in experience. Unless shifted to a weaker point in the line, Letterman Phil Smith will return to the center spot this year and Letterman Jim Orwick, 150-pound senior, probably will play guard.

WINS HIGH PRAISE
Mrs. Norman Nelson won high praise last week for a report on a state council meeting which she gave before an assemblage of Morrow county home extension workers at an officers' training conference at the Church of Christ. Miss Mabel Wilson, county home demonstration agent said Mrs. Nelson's report had completely clarified actions of the state council that previously had been mere mystery to county unit officers. A special recognition ceremony at the conference honored Mrs. Ernest Heilker, Mrs. Markham Baker and Mrs. W. E. Hughes, retiring officers in the home extension organization.

A MILLION POUNDS OF NEW WIRE will be put into service by Pacific Power & Light crewmen this year. New substations, generators, poles, other equipment will bring 1949 P&L construction budget in this growing region to more than \$9 million.

Cost of new construction by Pacific Power & Light since V-J day will total more than \$25,000,000. These are development dollars. They are taxpaying, job-making dollars, invested here in the Northwest to help meet your electrical needs. Power requirements of this fast-growing Pacific Northwest demand a steady flow of these development dollars. That is why all of us want investors to look on this region as a land of opportunity, and of fair reward. The investor whose dollars help extend and improve your low-cost electric service, while sharing your tax burden, is truly a Partner in Progress!

WELCOME to the MORROW COUNTY FAIR Sept. 8-9-10 and RODEO Sept. 9-10-11
The shows both Friday and Saturday of Rodeo will start at 7 p. m.

MAGIC VOICE of the SCREEN
NEW... LIVING SOUNDS!

While this is the picture of the grand champion 4-H Fat Steer of the 1948 fair, there will be many like this one at the 1949 Fair. This is an example of the beef that will be offered for sale by twenty two eager 4-H members, who have fed and fitted the animals during the past year. Fat lambs and pigs will be offered for sale, too. Many of the steers will be the finished product of feeders that were donated by interested persons and caught by 4-H members at the 4-H Calf Scramble which was enjoyed by all who saw it at the 1948 Fair and Rodeo.

Everyone is Talking about
the 1949
FAIR and RODEO

There will be three big nights of dancing with Jimmie Whetmore and his Orchestra to end each day of Rodeo. Redwood Empire Shows will provide the carnival entertainment that is always a part of a good fair and rodeo. Rodeo stock furnished by Howard Johnson will provide the bareback and saddle-bronc riding, bulldogging, calf roping, and wild cow milking... You'll come, of course!
