**The OIL Heater You've Waited For!**

**Coleman AUTOMATIC**

It heats your home like a furnace—brings you the kind of "warm-floors" home comfort you've wanted. And it's automatic, you do no work! Just set the regulator for the heat you want—no fire-tending. Clean, too—no dusty fuel, no ashes, to dirty up your house. Come in—see it today!

**WE CARRY A COMPLETE LINE OF COLEMAN OIL HEATERS**

Get the oil heater that has all these money-saving, fuel-saving, long-life features:  
1. Famous Coleman Furnace-Type Heating Unit  
2. Low Flame Fuel-Saver  
3. Fuel-saving Low-draft Burner  
4. Exclusive Coleman Draft Meter  
5. Radiant-heat Reflector Doors—(super-circulator only—see above)  
6. Heat circulation plus heat radiation at same time  
7. Beautiful styling—long-life, brown, duo-tone enamel finish.

We have the right size, the right type of heater for your home! Come in today.

President, Astoria Chamber of Commerce

**1,000 POLE TOP POWER PLANTS** are being installed this year on all parts of the PP&L system. Known technically as capacitors, these devices are really little power plants, for they increase the supply of usable electricity on the wires. Added together, the 1,000 new capacitors equal a good sized power generator.

Pacific Power & Light Company has spent \$25,000,000 on new construction since V-J day. These are taxpaying, job-making dollars—development dollars—invested here in the great Northwest to help meet your electrical needs.

The power requirements of a fast-growing region demand a steady flow of these development dollars into the Pacific Northwest. That is why all of us want investors to look on this region as a land of opportunity, and of fair reward.

The investor whose dollars help extend and improve your electric service, while sharing your tax burden, is truly a Partner in Progress!
