OUR DEMOCRACY — by Mat FRUITS OF THEIR OWN LABOR

"If we can prevent the government from wasting the labors of the people under the pretense of caring for them, they will be happy."
—THOMAS JEFFERSON.

THE WISDOM OF THAT PHILOSOPHY, TO WHICH WE IN AMERICA HAVE ADHERED, IS EVIDENT IN THE HISTORY OF THE WORLD OVER THE LAST 150 YEARS.

THE EXPERIENCE IN THOSE COUNTRIES WHERE THE GOVERNMENT HAS ENDEAVORED TO DO FOR THE PEOPLE WHAT THEY COULD BETTER DO FOR THEMSELVES, IS IN SHARP CONTRAST WITH THE EXPERIENCE IN AMERICA AND THE OTHER DEMOCRACIES.

WITH FULL FREEDOM OF CHOICE AND ACCEPTANCE OF INDIVIDUAL RESPONSIBILITY, WE IN AMERICA HAVE BEEN ABLE TO ATTAIN THE HIGHEST STANDARD OF LIVING AND FAMILY SECURITY IN THE WORLD, FAR HIGHER THAN ANY COUNTRY HAS BEEN ABLE TO ESTABLISH FOR ITS PEOPLE THROUGH STATE PROVISION.

From where I sit... by Joe Marsh

But Curly "Knows What The Score Is!"

Was over at Doc Sherman's drug store listening to the World Series on the radio. Curly Lawson wanders in and says: "How about a chocolate malted, Doc?"

"Sorry, Curly," says Doc, "can't make you a malted for a while yet." "What's the idea?" Curly asks. "Well," says Doc, "most of the folks want to hear the game and the mixer makes too much noise." Curly thinks a moment and says, "Okay with me, Doc—I'll take a chocolate soda!"

This shows how tolerant folks can be. Doc showed his respect for how the majority felt; Curly was big enough not to insist on his malted even though he doesn't happen to be fond of baseball.

From where I sit, willingness to respect the other people's feelings is important in a Democracy. If we're tolerant of a person's like for baseball or a glass of temperate beer, we've come a long way on the right road... the road to a better America, that is!
