Moro Handed First Defeat of Season By Heppner Team

Mustangs Outplay Heavier Rivals To Win, 19-7, Friday

Playing heads up football all the way, the Heppner high school Mustangs romped to a 19-7 victory over the hitherto undefeated Moro high school Huskies, district 6B champions, in one of the besgames seen on the Rodeo field in many a season, Friday afternoon. The Heppner plays clicked for yardage, first downs and pay dirt, and that's what it takes to win football games.

Moro is not to be taken lightly on anybody's field, as the Husk les proved time and again when in possession of the ball. They have some powerful backs that run hard, shiftily, and keep in the fight all the time. They were out-foxed by the Heppner style of plays, of which there are many.

And here's how it happened: And here's how it happened:
Piper kicked to Moru's end zone and
the hall was put on the 21-yard line.
