DON'T BE SNOWBOUND!

Dean Gilman

The New 4-Wheel-Drive Willys Station Wagon Takes You Through When No Other Car Can!

Don't be isolated by heavy snow and iceglazed roads. Get the car that gets you through when nothing else can-the new 4-Wheel-Drive Willys Station Wagon.

When you shift to 4-wheel drive, you get traction that takes you up slippery grades, cuts down tendency to skid, makes driving safer. The 4-Wheel-Drive Willys Station

Wagon is a car you'll drive the year

'round. It rides six adults in roomy comfort and handles easily in 2 or 4-wheel drive. Rear seats are quickly re-movable to provide 98 cubic feet of

space for hauling. If you live where roads are often blocked or have duties that must not be delayed, the 4-Wheel-Drive Willys Station Wagon is your best assurance of getting through. Let us demonstrate this remarkable new model for you now.
