Hi-Ways To Health

BRIGHTEN MEALS WITH SALAD
Short on fresh salad ideas for January? No need to be with such foods as cheese, apples, pears, cabbage, celery and lettuce on the plentiful foods list this month. Salads brighten up winter meals, add crispness, color and needed vitamins, so plan to serve at least one every day.
Winter salads sometimes pre-

vegetable salads. Blue cheese salad dressing is a delicious topping for lettuce wedges. Seasoned cottage cheese mixed with grated carrots and shredded cabbage make a hearty, yet inexpensive salad.
Tomato aspic, made with canned tomato juice and served with cottage cheese dressing will freshen tired winter appetites. For a quick and easy tomato aspic, soften 1 envelope of gelatin in 1/4 cup cold water, then dissolve in 1 1/2 cups hot tomato juice. Season with celery salt and desired herbs. Chill and serve with cottage dressing. To make dressing, rub 1/4 cup cottage cheese through a fine sieve, add 1/4 cup mayonnaise or cooked salad dressing, season with few drops of lemon juice and salt to taste. Mince onion may be added for flavor.
Here is a variation of coleslaw which we know your family will enjoy.
APPLE COLESLAW (Serves 6)
2 cups cored, cubed apples
2-3 cup sweet or sour heavy cream
3 T. lemon juice
2 Tbs. sugar
3 cups shredded cabbage
One-half cup chopped nuts
One-half tsp. salt
Prepare apples, stir lemon juice into cream. Add sugar. Pour over apples and chill well. Prepare cabbage and combine with apples, nuts and salt. Serve on individual plates or in salad bowl. Top with sprinkling of paprika.

Give Us Back Our Sidewalks, Slim!

I wrote that over an article in the *Clarion* last week, but I didn't like doing it. After all, the man it was aimed at—Slim Henderson—is a good friend of mine.
Slim came into quite a windfall last month, and bought the old Clarke place. The deed gave him title to all the land—right down to the street. Then Slim started to take up the sidewalk to make his lawn look better.
I felt it wasn't fair to the town and said so in my article. Next morning Slim comes around and wants to know what I mean—getting folks riled against him. I felt ornery myself, and we had quite a set-to over the whole business.
From where I sit, that was foolish. Once we'd cooled off (over lunch and a bottle of beer at Andy's Tavern), Slim decided the sidewalks should stay—for the common good and I promised next time I'd take a good look at the other fellow's point of view before writing any articles about him!
