### Kinzua Rail Service Restored After Two Weeks Lay Off

By MRS. ELSA LEATHERS  
The Kinzua train and mail are again back on schedule after two weeks of extremely bad weather. The snow was estimated to be 20 inches deep at one time. But with the Chinook that hit in the mountains in the middle of the week only the largest drifts and the snow on the north slopes were left. More snow fell Monday.  
Due to bad roads between Arlington and Fossil the town team basketball game on Saturday was called off.  
Mrs. R. M. Wright TB seals chairman announced to date she has collected \$307.25 with more coming in. Twenty five dollars of this sum came from Camp Five.  
The basketball boys motored to Dayville Saturday where they played two games. The A string won while the B string got beat. Mr. and Mrs. Lee Hoover took the school bus to take the players.  
The game with Spray on Tuesday night was cancelled due to the storm. While all the preparations had been made to entertain the Spray people at the new gym the town team played and the refreshments were enjoyed.  
Elmer Nestlerod is confined to his home with the mumps.  
Roy Ball Jr. got his hand cut on a saw Tuesday night. He was rushed to Condon by ambulance where it was necessary to have 12 stitches to close the wound. He returned to work the first of the week.  
Mr. and Mrs. Paul Rector took their small son to Hermiston to stay with friends for the next few weeks. The small child has bron-

Its enamel surface can take tough treatment, because it's made sturdier, stronger by a special enamel-baking process. Beautiful colors. Popular patterns. Wide range of room sizes. Real quality.
