

### Funeral Services For Mrs. Josie Jones Held at Monument

By MRS. MILLIE WILSON

Funeral services were held in the gymnasium at Monument at 2 o'clock p. m. Wednesday for Mrs. Lee Jones, Rev. Cowan officiated and arrangements were in charge of the Driskill Mortuary of John Day. Interment was in the family plot in the Monument cemetery. Mrs. Jones leaves to mourn her passing, her husband, Lee Jones and six children, Choicy Vandetti, Audra Smith, Wayne Jones, Will Mae, Billie Jones, Dannie Jones and a host of friends.

Mr. and Mrs. Bastien and Mr. and Mrs. Leopart were dinner guests Sunday at the home of Mr. and Mrs. Dean Enright at their home at Top.

Mrs. Joava Enright has been quite sick at her home this week. Mr. and Mrs. Ed Enright are staying with her and helping care for the children.

Mr. and Mrs. Willard Gilman and John Walters left Saturday morning for Burns where they expect to get an army truck to use on their ranch at Top.

Rev. Sidney E. Harris is sick at his home this week.

Eppler Dickey came from John Day Wednesday to attend the funeral of Mrs. Josie Jones.

Mr. and Mrs. Lester McKinney are the proud parents of a baby

boy born at the Blue Mountain hospital January 25. Mrs. McKinney's sister, Charlotte Howell, is staying at the McKinney home caring for the little girls.

Mr. and Mrs. Harry Capon were attending to business matters in Spray and Monument Thursday. On account of the deep snow they were forced to spend the rest of the week in town.

Mr. Farrow of Long Creek came Thursday evening for Mrs. Farrow but owing to the road conditions he decided to wait over until Friday evening before making the return trip. While here he was a guest of Mr. and Mrs. Earl Sweek.

Eight inches of new snow Friday morning failed to keep Bill Mundy of the L. S. ranch from coming into Monument for groceries and supplies.

Mr. and Mrs. Keith Ramsey of Bend, Mrs. Molly Anna Jackson of Prineville and Mrs. Junior Jones attended the funeral of their aunt, Mrs. Lee Jones, Wednesday.

Lee Jones' two sisters, Mayday and Blanch of Powell Butte came to be with him during the funeral services for his wife on Wednesday.

Ten below zero in Monument Sunday morning, January 29.

The high school play, "Oh, Promise me" was given Saturday night. It was one of the best plays ever put on by a high school group in Monument. Both the directors, Mr. and Mrs. McLaughlin, and the producers, the students, are to be commended.

On account of the extreme cold and the bad roads, there was not the crowd that generally attends

one of these home talent plays. There were a few from Long Creek and Spray who braved the weather and bad roads to attend. The Rim Rock Sereaders six piece band furnished the music for the dance which followed the show. Supper was served by the high school girls and Mrs. McLaughlin.

Mrs. John Radall of Lone Rock came Friday to spend a few days visiting her mother, Mrs. Dillie Leathers and other relatives. She attended the play Saturday night. She plans to leave for her home Wednesday.

Charles Roach was a business visitor in John Day Friday. He states there is not as much snow at John Day as at Monument.

Mr. and Mrs. Raymond Batty spent Thursday night in Hepner. They were accompanied home by Kenneth Batty who came for his truck. He returned to Hardman the same evening.

Mr. and Mrs. Lloya Leathers and daughters of Long Creek traveled the bad roads Saturday night to attend the play presented by the high school.

Dane Broadfoot spent several days last week as a business visitor in Hepner.

On their way home from the play and dance Saturday night, a car driven by Mr. Miller of Spray struck the rear end of the car driven by Charles Roach. Charles was pushed off the road but no damage was done to his car. Miller was unable to drive his car home. Luckily no one was hurt.

### Boy Scout Week To Be Observed Week of Feb. 6-12

Boy Scout Week, marking the 40th anniversary of the Boy Scouts of America, will be observed from Monday, Feb. 6 through Sunday, Feb. 12. The anniversary will be celebrated in every city and town and most villages and hamlets throughout the nation and its territories by 2,300,000 boys and adult leaders.

President Truman will greet twelve outstanding Boy Scouts in the White House during Boy Scout Week. The Scouts will present to Mr. Truman the "Report to the Nation" telling of Scouting's service to the community since he greeted a similar group of twelve outstanding Scouts a year ago. President Truman is Honorary President of the Boy Scouts of America.

Boy Scout Week this year finds

the organization at the mid-point of its two-year Crusade to "Strengthen the Arm of Liberty", which seeks to bring more boys into its ranks, give them richer experiences in all phases of its programs under volunteer leaders of high character who take training courses so they can carry on effectively.

The theme of the 40th birthday observance is "Strengthen Liberty." In countless meetings across the nation, this theme will be portrayed in pageants, demonstrations, public ceremonies and Parent's Night gatherings.

The highlight of the second year of the Crusade will be the national jamoree at Valley Forge, Penn., at which 40,000 Scouts and leaders from every section of the nation and several hundred Scouts of other lands will camp together from June 30 to July 6.

In many communities and at state capitals, Scouts will be greeted by civic leaders and will take part in ceremonies related to the Crusade.

In accordance with tradition, Scouts everywhere will rededicate themselves to the Scout Oath and Law on Feb. 8 at 8:15 p. m. in the respective time zones.

During Boy Scout Week, parents of Scouts and friends will visit Troop meetings and see for themselves that the Scout Unit is a demonstration of democracy at work. The Scouts and their guests will enjoy an evening of campfire songs, skits, games and stunts. This year, as part of their observance of the Crusade, many meetings will feature a ceremony of lighting a special torch to emphasize its aims.

Boy Scout Week is also the occasion when Scouts, their parents and the institutions sponsoring Scout Units, get together to honor the adult volunteer leaders whose contributions in unselfish service to youth makes the Scout organization possible.

School authorities in countless communities have arranged for pupils who are Scouts to put on demonstrations in school assemblies. Many public and private schools act as sponsoring institutions for Scout Units. The latest National Council report to Congress shows that 16 percent of the 71,000 Scout Units in America are sponsored by educational institutions.

During Boy Scout Week many store windows, theater lobbies and other public places contain displays of handcraft made by Scouts. Often the boys themselves take turns demonstrating some of the skills they acquire through the program.

Thousands of new Cub Scouts, Boy Scouts and Explorers, as the new Senior Program is termed, will be inducted through investiture ceremonies.

Sunday, Feb. 12 will be Boy Scout Sunday. Scouts and leaders will attend church services in uniform. Those of Jewish faith will hold their observance in synagogues and temples on Friday and Saturday, Feb. 10 and 11.

### The Very Common Cold

**TO AVOID COLDS... AVOID PEOPLE WHO HAVE THEM... EAT WELL-BALANCED MEALS... GET PLENTY OF EXERCISE AND REST.**

**KEEP WARM AND DRY... WEAR WARM CLOTHING WHEN IT'S COLD OUTSIDE... RUBBERS OR OVERSHOES WHEN IT'S WET.**

**THE COMMON COLD STRIKES NEARLY EVERYONE AT LEAST ONCE A YEAR**

**TO GET OVER A COLD... STAY IN BED... DRINK LOTS OF WATER AND FRUIT JUICES... EAT LIGHT, NOURISHING MEALS.**

**CALL THE DOCTOR... IF FEVER, PAIN OR RACKING COUGH LASTS MORE THAN 24 HOURS.**

### Common Sense Still Best Defense Against the Common Cold

As the nation settles down this week to its annual mid-winter bout with the common cold, many a chronic victim is wondering what, if anything, has been accomplished in the field of medical research that promises relief from the discomfort and expense that follow in the wake of the cold germ.

For those in search of a sure cure for colds, the news is bad. So far, no one has come up with a universally effective cure for the common cold. Nor has anyone brought forth a fool-proof method of prevention. On the other hand, there have been several promising developments.

The most promising of these was the discovery that anti-histaminic drugs, which have been used successfully against hay fever and other diseases of allergic origin, could also be employed with some success to combat cold symptoms. Preliminary studies indicate they are reasonably effective if taken according to directions at the first sign of a cold.

So far, the country's leading medical spokesmen have declined to give the anti-histaminic their unqualified endorsement. They know the drugs cause certain "side-effects," such as drowsiness and disturbances in appetite,

- among allergy victims who take them on prescription.
- Much smaller doses are recommended by the manufacturers of anti-histaminic now on sale in drug stores, but doctors realize a large proportion of the users will tend to overdose in an effort to break up their colds quickly and, as a result, may be subject to these side-effects.
- Aside from taking part in the present mass testing of these new drugs, the best thing the chronic victim can do to avoid the misery of a cold is to try to avoid the cold germ in the first place. That is much easier said than done, but there are several common-sense rules that may help. Those which have won general acceptance among medical authorities are:
1. Stay away from people who already have colds, particularly if they are coughing or sneezing.
  2. Keep bodily resistance high by eating proper foods and getting plenty of fresh air, exercise and sleep.
  3. Avoid chilling by keeping out of drafts and dressing according to the weather - wearing warm clothes in cold weather and rubbers or overshoes when it rains or snows.
- For those who catch cold in spite of these precautions, the advice is equally simple. Stay in bed until the worst of the cold is over. Eat light meals, and drink plenty of liquids. If fever, pain or a rattling cough lasts more than 24 hours, call the doctor.

### 4-H Club News

Twenty-five 4-H leaders attended the training meetings held last week by Oregon State college extension service. Miss Esther Tasker and Burton Hutton, state 4-H club agents, were present to assist Mrs. Flint and N. C. Anderson in training these volunteer leaders.

It is our privilege as 4-H leaders to fill a need in each boy and girl that is not being met anywhere else, in home, school, church or group activity. We can open up a new experience or improve the attitude toward a familiar activity through the club program, said Miss Tasker.

Training for good citizenship is the most important part of the club program. Developing good working and thinking habits are as important as learning the skill in the individual project. What better place is there for boys and girls to see democratic procedures at work than in our club business meetings where leader, parents and agents ask for the floor just as a member would be expected to do? continued Miss Tasker.

4-H club work is home centered and therefore parents must understand the goals and methods used in 4-H club program. Boys and girls do much of the project requirements at home and in order to do the best job, parents are encouraged to take an active interest in the youngsters' projects.

Specific requirements for the different projects were also discussed with leaders.

Henry Teitz, county school superintendent, and Merle Becket, manager of the bank, were interested non-leaders who attended the major portion of the meeting in Hepner. South end leaders were honored at a noon luncheon Friday. Also attending were Mr. and Mrs. O. G. Crawford, Henry Tetz, Merle Becket, J. R. Huffman. Leaders attending were Mr. and Mrs. W. E. Garner, Mrs. C. E. Stalcup, Mr. and Mrs. Cecil Hamilton, Mr. and Mrs. O. C. Veele Boardman; Mrs. Lloyd Berger, Mrs. Paul Slaughter Mrs. Johanna Ballard, Mrs. Louis Shade, Mrs. Violet Hill, Ruth Shade, Irri-gon; Mr. and Mrs. John Graves, Mr. and Mrs. Marvin Wightman, Mrs. Theda Stratten, Mrs. N. C. Anderson, Mrs. Jack Loyd, Elmer Palmer, Hepner; Mrs. Lola Breeding, Lexington; Mrs. E. M. Baker, Ronald Baker and Mrs. L. A. McCabe, Ione

For further help in leading club boys and girls the Morrow county leaders are preparing to attend the eastern Oregon 4-H leaders conference at La Grande Jan. 31, Feb. 1 and 2.
