ANNOUNCING
Change Of Ownership For Our Oregon Territory

This message is of vital importance to everyone using power machinery including all types of logging equipment, construction equipment, agriculture implements and combine harvesters.

We have enjoyed very much our business relations with many of you. These relations ceases the one regret we have in the sale of our Oregon operations. However, we do want to take this opportunity of extending to you our highest recommendations to our successors. We feel sure you will find them the kind of people with whom you will want to be associated.

We are happy that the personnel in each of these locations will still be with you and we wish to congratulate and recommend to you as General Manager, Jack Whitman. Many of you are already acquainted with him and no doubt the rest of you soon will be.

Our very best wishes to your continued success the CATERPILLAR and JOHN DEERE way. Also, best wishes to the EMPIRE MACHINERY COMPANY your new Distributor.

Very truly yours,
BRADEN TRACTOR & EQUIPMENT CO.
Clarence Braden, Manager.
