Fertilizer Trial Plots Established On Several Farms

Different Types To Be Watched By County Agent

Fertilizer trial plots, to demon-strate the value of different types of nitrogen at different application rates were put out on the Frank Anderson farm near Eight-mile Saturday, reports N. C. An-

derson, county agent.
Sulfur and superphosphate trials were also established at the Stephen Thompson farm on Rhea creek. Assisting with the experimental plots was Leroy Warner, soils specialist, Oregon State college. The nitrogen plots at the An-derson farm were not on dryland

derson farm were put on dryland wheat. Types of nitrogen fertili-zer used were ammonium sulfate, ammonium nitrate, calcium nitrate and sodium nitrate. Rates of application ranged from 100 pounds to a low of 20 pounds of actual nitrogen per acre. Thirty, 40, 50, 60, and 100 pounds of nitrogen were applied in va-rious plots. Plots will be harvest-ed for grain yield. Morrow Coun-ty, Graingrowers, furnished, the ty Graingrowers furnished the nitrogen for these plots. At the Thompson farm irrigat-

ed alfalfa plots were laid out using plots of sulfur at the rates of 50, 100 and 150 pounds per

put out. Check plots will be used to compare fertilized and unfertilized hay yields.

These plots were established for the benefit of farmers who are interested in such results. Fleld days will be held at each of these demonstration areas to discuss results. Summaries of yields will be made available yields will be made available to all interested farmers when harvest yields are made.

Soil moisture samples were also taken throughout the county. Saturday, and are being tested for available moisture present. Drillings were made in the Eightmile. Hepping Flat, and North Lavington areas Generally. Eightmile, Heppner Flat, and North Lexington areas, Generally speaking, the 1949 summerfallow now seeded to wheat contained more moisture than 1949 wheat stubble fields. Much moisture was present in the shallow soils of Heppner Flat and Eightmile where drillings were made to 24 inches. Moisture was found to a depth of 32 to 36 inches in the deeper soils in North Lexington with not much moisture penetration at 36 inches. Results of the tion at 36 inches. Results of the tests giving moisture available tests giving moisture available to plants will be made as soon moisture tests are completed

PROGRAM ON ART AT SOROPTIMIST MEETING

The Soroptimist Club of Hepp-ner was pleased to have Mrs. V. B. McGowan of Pilot Rock and

March Significant Month in Legion, **Auxiliary History**

The month of March is signifi-cant to the American Legion and cant to the American Legion and its auxiliary. It is the time when posts and units in most communities gather to commemorate the day when the American Legion came into existence. From the days of its inception the American Legion has given care and projection to the disabled. and protection to the disabled veteran and his family; it has worked diligently for the welfare of our American youth; it has sounded the keynote of Americanism and has striven contin-uously for national security. March 13 was the day upon

March 13 was the day upon which the Heppner unit entertained the Post with a potluck supper and card party.

March 21 a team of past presidents of the auxiliary initiated the following members: Mesdames Donald Bellenbrock. James Daggett, James Driscoll Albert Edwards, Donald Grady William Labhart, Jack Loyd, Durward Tash, Donald Walher

and Carl Vincent. At this time the auxiliary was privileged to have the district president. Mrs. Cecil Thorne.

Hostesses for the evening were Mrs. J. J. Farley, Mrs. Wm. Rich-ards, Mrs. E. E. Evans and Mrs.

Boy Scout Cabin Fund Campaign About Completed

Assurance of sufficient funds with which to purchase materials needed in building the Hepp als needed in building the Hepp-ner Boy Scout cabin was given in a report made at the chamber of commerce luncheon Monday. Through the generosity of Hepp-ner lodge No. 358, B.P.O.E., \$2100 of the \$2500 budget set up last week by the special committee on the building project was made available. This amount was further augmented with a donaavailable. This amount was further augmented with a dona-tion of \$80 by the city Monday evening. This comes from a special donation fund set up in the budget to be used at the discretion of the council.

It may be necessary to hire some help in the construction of the cabin, but the amount in hand and in prospect will make it possible to add a fireplace to the plans as well as purchase extra equipment. extra equipment.

From Ione came Coach Francis From ione came Coach Francis Ely and his top notch grade school basketball team consist-ing of Arthur Lindstrom, Herb-ert Peterson, Sammy Barnett, Wayne Gollyhorn, Dick Ekstrom, Wayne Gollyhorn, Dick Ekstrom, Capt. Duane Baker, Jerry Bristow. Lee Palmer, Tom White, Dennis Swanson. Mr. Ely introduced his boys and thanked the CC for the courtesy extended them. This team made one of the outstanding records among grade schools of the state in the season just closed. All district games were won includusing plots of sulfur at using plots of sulfur at the season just closed. All displied at 200, 400 and 800 pounds the season just closed. All displied at 200, 400 and 800 pounds the season just closed. All displied at 200, 400 and 800 pounds the season just closed. All displied sulfur and superphosphate together at the above mentioned rates as well as alone were also play in the state meet, where they dropped two games but came home with fourth place rating.

Guest speaker Monday was Victor Mason,, district biologist with the state game commission who described the work of the game department in maintaining the wildlife for the benefit of hunters and anglers. He was the principal speaker at the game meeting held in the court house

Worden-Gernhardt **Vows Spoken Here** Friday Evening

Baskets of pink flowers— carnations, snapdragons and calla lilies, and tall white tapers marked the meeting in the Methodist church for the culmination of a college romance when Miss Dorothy Ann Worden became the bride of John Paul Gernhardt of La Grande, Rev. H. J. Gernhardt, father of the groom and pastor of the First Methodist church of

Mrs. Jones did forward as follows: Mr. and Mrs. Eldon as follows: Mr. and Mrs. Eldon Padberg announce they will have open house at their new home between the hours of 2 and 4 p.m. Saturday, March 25. The nublic is cordially invited.

The bride, given in marriage was lovely in her they have the product of the product of

Six-Year-Old lone Boy Loses Life In Icy Willow Creek

Dennis Cropp Fell In Water Trying To Recover Pistol

Frantic search has been underway since shortly after the noon hour Tuesday to recover the body of Dennis Cropp, six-year-old son of Mr. and Mrs. Carl Cropp of Ione, who fell into Willow creek just west of the Ione public school while playing along the bank of the stream. A little playmate, Lestie Madden, reported the accident to Supt. B. C. Forsythe who, with several from the school rushed to the scene but coud find no trace of the missing boy.

A general alarm was sounded

of the missing boy.

A general alarm was sounded and within a few minutes the creek bank was lined with an xious citizens. Searching parties were organized and inquiries were organized and inquiries were sent for grappling hooks or any other type of equipment that could be effectively used. The creek was given as thorough a combing as possible up to a late hour Tuesday evening, and by Wednesday morning recruits from outside points arrived to join in the search. Up to Wednesday evening crews had dragged the creek bed from the point where the little fellow fell in to a point more than one-half of a mile below, and tentative search had been made for some search had been made for some distance down the creek along diversion dams, looking any place where a body might be

odged.
Up to the middle of this after-Up to the middle of this afternoon the location of the body
remained a mystery. The men experienced in such work came
from McNary. They brought rubber suits and worked for hours
in the icy water in fruitless effort to find the body. Two divers
were expected Wednesday evening from Bonneville to join the
search, but still no word has

ning from Bonneville to join the search, but still no word has come that the search has ended.

The little boy's father is a machinist with the county road crew. Immediately when the word reached Judge Garnet Bariatt of the accident, he asked Harold Sherer, road superintendent, to take as many of his men as were available to join the search. Help has come from the state highway department and the sheriff's office, and the citizens of Ione and surrounding citizens of Ione and surrounding country are doing all possible to relieve the anxiety of the bereaved parents.
