in Ione and at 9:30 in Heppner.

April Month for Receiving Cancer Fight Donations

April is the month declared by the Cancer Society for receiving of donations to the cancer-control program. Morrow county is taking an active part in this program.

Heading the field army for this county as Commander is Mrs. James Healy. Serving her as vice-commander is Mrs. Otto Steinke. Finance officer is Mrs. Jack Van Winkle and Mrs. Mabel Flint is the publicity director.

Each community has its own captain who will take care of the donations and contributions from that locality. They are, for Heppner, Mrs. Chris Brown; Hardman, Mrs. Kenneth Batty; Lexington, Mrs. Eldon Padberg; Ione, Mrs. Adon Hamlett; Boardman, Mrs. Seth Russell and Irrigon, Mrs. Ida Slaughter.

Actively participating in the cancer programs for several community groups during the winter months have been the medical director, Dr. A. D. McMurdo, and public health nurse, Miss Margaret Gillis. Sponsoring the cancer program within the county is the American Legion auxiliary. This group along with the extension units, chamber of commerce and Scroptmist club have studied growth of neglected cancers and reviewed recent research studies.

Retail sales in the county during 1948 aggregated \$4.5 million, an increase of 275 percent over the \$1.2 million in 1939, when the preceding census of business was taken. The service trades included in the census of business recorded receipts totaling \$156,000 in 1948 compared with \$45,000 in 1939.

Employment in the county rose over the 9-year period between 1939 and 1948 for the above trades.

sanctified 7:30, followed by Ve-

Establishments in these trades reported a combined total of 145 paid employees for the week ended nearest November 15, 1948. This compared with a total of 105 employees reported for the week of November 15, 1939.

These preliminary figures have been derived from a census report on Morrow county. Final figures, superseding the preliminary data for the county, will be included in a bulletin for the state of Oregon and be issued in several months. Similar data will be made available this year in preliminary and final form for each of the counties and states.

STAR REPORTER
