Graduation Plans Progressing Well At Monument High
By MILLIE WILSON
Plans for high school graduation set for May 12 are progressing well, according to Principle McLaughlin. He announced that Dr. Anderson from Eastern Oregon College of Education has been invited to address the graduates again this year. It is planned to decorate the gymnasium in a spring motif. The graduates will depart from the usual black caps and gowns by wearing white caps and gowns.

Invitations will be mailed next week to all high school parents and special guests to attend the annual Junior-Senior banquet to be held at the high school auditorium May 6. It is an annual event in which the Junior class honors the graduates and also affords an opportunity to include the board of education as special guests in order to thank them for their efforts in behalf of the school. The Home Economics class under the direction of Mrs. McLaughlin is planning the meal.

The high school boys are hard at practice in preparation for the balance of their baseball schedule. They play Spry next Friday and that is sure to be a hard game. The balance of the season includes games with Long creek and possibly Grant if it can be scheduled before school is out. Considering the key men lost from last year, the local boys have been doing well.

Last Friday evening the grade school sponsored a magician and comedian, Mitchell Cain. Altho the town was in darkness the show was put on by the aid of gas lanterns. It was a very successful show and everyone had a lot of good laughs. There was not such a large crowd owing to the light situation.
