**NOTICE OF SCHOOL ELECTION UPON QUESTION OF INCREASING TAX LEVY OVER AMOUNT LIMITED BY SECTION 11, ARTICLE XI, STATE CONSTITUTION**

Notice is hereby given that a special election will be held in School District No. 1CJ of Morrow County, State of Oregon, June 8, 1950, at 3:30 P.M. to 6:30 P.M. at Heppner City Hall in said school district, for the purpose of submitting to the legal voters of said district the question of increasing the tax levy for the year 1950 over the amount limited by Section 11, article XI, of the Constitution of Oregon.

The reasons:

The low tax base due to the fact that some districts lost their base and others could only be increased 6% per year while costs have gone up more rapidly during and after the war years. Increased costs are due to increased cost of personnel, supplies, equipment, and services; to added services like transportation, hot lunches, and music; to bringing school physical plant and equipment up to meet the required standards. The total base for all districts in the Rural School District is \$103,214.23 and the total to be raised by tax is \$336,913.00.

The amount of tax, in excess of the 6% limitation, proposed to be levied for said year is \$233,698.76.

Dated this 16th day of May, 1950.

**1910 FORTY YEARS AGO**, when Pacific Power & Light started in business, electricity on a farm was practically unheard of. When the farm wife wanted water she pumped it by hand. A big job was ahead for the new, pioneering electric company.

**1950 TODAY**, after 40 years of consistently extending electric service, over 98% of farms are electrified—in the area served by PP&L. The water bucket has been replaced by the electric pump. And the farmer's wife, like her city cousin, uses cheap electricity generously to help do her housework.
