

**First National Bank Increases Interest Rate on Savings**

Word has been received from F. N. Belgrano, president of the First National Bank of Portland, that directors of this bank have voted to increase the rate of interest being paid on savings deposits from 1 percent to 1 1/2 percent on account up to \$10,000. Savings accounts with balances in excess of \$10,000 will receive 1 1/2 percent on the first \$10,000, plus 1 percent on the remainder in contrast with the previous rate of 1 percent on the first \$5,000 and 1/2 thereafter.

Affiliated banks of the First National Bank of Portland, according to report, have also taken like action.

This increased rate will apply to existing accounts and accounts opened within the first seven days of July and quarterly thereafter. This increase in the yield of savings deposits is expected to make bank savings accounts more attractive to the public.

**QUEEN JOAN AND COURT**

Continued from Page 1

At Teacher's College in La Grande Joan has continued her activities, where she belongs to several clubs and is a yell leader. During vacations she helps as an extra hand on her parent's ranch. A small brother, 2-year old Paul, completes the family.

Princess Jane, vivacious and sixteen, is the daughter of Mr. and Mrs. William Seehafer, wheat ranchers at Ione. Three older sisters and two younger ones are reflecting the glow of royalty in the family.

Active in Ione high school, Princess Jane was vice-president of the freshman class, secretary of her sophomore class and vice president during her junior year. A senior next year, she will be editor of the school paper, the Cardinal. She has been active in sports and a member of the Ione Glee club all during high school. At the Play Day held at Ione this year she was chosen one of the all-star volleyball team.

A 4-H enthusiast, Princess Jane has received her six-year pin, having had cooking, sewing and a beef project. For three years she attended 4-H Summer School at Corvallis on scholarships. She was chosen princess by the Willows grange of Ione.

A typical ranch girl, fair-haired Princess Jane, has driven trucks and tractors since she was nine years old and will drive a wheat truck for her father this summer. Sports and dancing are on her list of favorite activities with cooking coming in third. She is a charter member of Rainbow girls, Ruth Assembly.

An Irish lassie is willowy Princess Kathryn, brown-haired and blue-eyed daughter of Pat Campbell and the late Mrs. Kathryn O'Brien Campbell of Lone Rock, both having come here from Ireland. Born and raised on her father's large stock ranch at Lone Rock Princess Katie has two sisters and five brothers. Her brother Tom is well known as a bare back rider in all local rodeos.

A graduate of Heppner high school this year, 19-year old Princess Kathryn was active in FHA, GAA, Girl's League, was on the school paper and was princess of the 1949 football homecoming. She attended St. Mary's Academy her freshman year, coming to Heppner when her family moved to their stock ranch on Rhea Creek. A veteran in the saddle, she rode horseback six miles each day to grade school in Lonerock.

Interested in livestock and especially horses, Princess Kathryn rides for cattle and sheep on her father's holdings in Morrow, Gilliam and Wheeler counties, in addition to cooking for ranch crews. An active 4-H club member for 6 years, she plans on attending college this fall.

A strawberry blonde with a twinkle in her blue eyes is Princess Betty, 18, daughter of Mr. and Mrs. John Graves, wheat

and cattle ranchers in Sandhollow. A descendent of pioneer stock, her great grandfather, Joe Eskelson, helped build the railroad from Heppner Junction to Heppner with the help of mule teams and later took out a homestead in the Lexington district.

Graduating from Heppner high school this year, Princess Betty was editor of the 1950 Annual, Student Body treasurer, and an active member of the Student Council and was a cheer leader. Other school activities included band and sports.

An outstanding 4-H member, Princess Betty has had nine years in club work and is in beef and clothing projects this year.

Though she was born in Heppner, Princess Betty didn't start riding until her parents moved from Hermiston to their Sandhollow ranch in 1945. Since then she has become a veteran ranch girl indoors and out and helps with the cattle during the summer months.

Princess Betty has two sisters and a brother to share in her royalty role, for which she was chosen by the Lexington grange.

Coming from the North end of the county is charming Princess Evelyn, 20, daughter of Mr. and Mrs. Robert Miller of Boardman. Tall and trim, with dark blond hair and blue eyes, Princess Evelyn will ride her two-year old Palomino, "Rusty."

A senior at Eastern Oregon College of Education at La Grande next year, Princess Evelyn is active in the dramatics and art club and is a member of the Future Teacher's Club. At Boardman high school, where she graduated in 1947, she was president of her senior class, a cheer leader, acted in school plays, worked on the staff of the high school paper and was a member of G.A.A.

An older sister and a younger brother will be on hand to cheer their sister, who was chosen to represent the north end of the county by the Boardman grange. Princess Evelyn, who came here from Gresham, includes the whole outdoors as hobby.

Queen Joan and her court will be guests of the Umatilla Sage Riders at their show at Umatilla on July 2 and will tour McNary Dam during their visit. Other invitations received include riding in both the dress up and Westward Ho parades in Pendleton.

**4-H CLUB NEWS**

The Jr. Stockmen's 4-H met at N. C. Anderson's home May 14. President James Wightman called the meeting to order. Minutes were read and approved. Roll call showed that most of the members were there. Mr. Munkers asked how the animals for The Dalles show were coming along. Marilyn Munkers and JoAnne Wilson are taking sheep to The Dalles, no one else in this club will go. Meeting was adjourned and refreshments served.

Arriving home tired but enthusiastic about their 10-day Summer School vacation — 31 Morrow county 4-H delegates declared that they were ready to go back for another session in 1951. The buses carrying the 120 delegates from Umatilla, Wheeler, Gilliam and Morrow counties arrived Friday evening with their main stop in Heppner at 5:30. The baggage truck arrived shortly after bringing the club members baggage with the exception of 6 Morrow county girls who were overlooked. Their baggage arrived early this week.

In summing up the activities of the 35th annual 4-H Summer School, Morrow county took a high place in the activities of the session. Officially announced this week were the Home Economics and agricultural judging contests that were held at the end of the Summer School session with Janet Howton, Ione, taking second place in Home Economics judging; and Duane Baker taking 4th place in the livestock judging contest.

Ronald Baker, Ione, was chosen as chairman of the junior leaders discussion and also acted as master of ceremonies at the party for the older club members on Thursday evening, June 22.

Sally Cohn, Heppner, was the only Morrow county girl to be chosen to take part in the annual Radio review broadcast over KOAC. Thursday evening's assembly program was devoted to this feature. Sally was one of 14 club members, from 90 who auditioned chosen for the event. Club members Jimmy Green and Joanne Bothwell of Heppner represented the group attending

the 4-H Summer School appearing at the Heppner chamber of commerce Monday noon and related some of their experiences during the session. From their report, it was assumed the stay was enjoyed; at least by them.
