"Just look at the difference!"

Thanks to a First National Home Improvement Loan, our house has a fresh coat of paint...looks almost new again!

And as the man at the First National Bank pointed out, timely painting is actually a mighty good investment because it preserves the value of a home. Our low monthly payments are hardly missed, and there's no mortgage required with a First National Home Improvement Loan.

It will pay you to discuss your home improvement plans with one of First National's experienced loan officers, or write for our folder showing the many home improvements that can be made, and their approximate cost.
