THE BIG WHEEL

Mickey Rooney, Thomas Mitchell, Michael O'Shea, Spring Byington, Mary Hatcher, Hattie McDaniel

If this film offered nothing more than the Memorial Day 500-mile race at Indianapolis Speedway it would be well worth while...but in addition it has a fine cast excellent direction and a story as fast as the racing cars it tells about, with emphasis on the thrills and excitement of the sport.

Do You Believe In Signs? This One Never Fails You

Your pharmacist must, above all else, be dependable, particularly in filling prescriptions. If he is not dependable, your health and comfort are jeopardized.

Whether a drug helps you to recover from sickness depends upon its quality. If it, for any reason, does not have the property required to heal you, it's useless.

Every drug in our prescription laboratory is periodically checked. Every new drug we stock comes from a responsible, nationally-known manufacturing chemist.

Song of the Modern Housewife

The best helper that I've got
Is little Reddy Kilowatt!
The more he works for me each day
The less per hour he gets in pay.
Now household items, one by one
All cost more than in '41 -
Except my helpful, handy, steady,
Ever-present servant, Reddy!

THE COST OF LIVING is up 68% since 1940. But PP&L's average price for household electricity is down 40%!

RATE CUTS SINCE 1940 have meant total net savings of nearly 18 million dollars to users of PP&L's electricity!

TODAY'S BIGGEST BARGAIN! Residential electric rates here are less than half of the national average.
