**DON'T BE TRICKED INTO PROHIBITION**

The initiative measure on your November 7th ballot to outlaw the "sale of promotively advertised alcoholic beverages" is one of the most deceptive measures ever placed before Oregon's voting public. This measure cannot stop advertising of alcoholic beverages originating outside of Oregon...but it will bring back Prohibition...Prohibition and all its evils—bootleggers, racketeers, phoney brands and bribed officials. No thinking citizen wants these things in Oregon.
