**J. C. PENNEY COMPANY
AUTHORIZES SPECIAL PAY-
MENT FOR ASSOCIATES**

The board of directors of the J. C. Penney Company have authorized a special year-end payment of an amount equal to two weeks' pay for all full time associates who have been employed for the full year of 1950 and proportionate amounts for extra and part-time associates and those employed less than a year.

All Penney associates except management staff members, whose earnings are determined largely by the Company's long-standing profit-sharing plan, will share in the payment. It will be made on December 15th at each associate's December 15th pay rate.

Jack O'Connor, manager of the J. C. Penney Company store, said that more than 50,000 Penney associates throughout the United States would participate in the payment, including six of the Heppner store.

He said the Company president, A. W. Hughes, in a letter to store associates, pointed out that the payment was "based upon the results attained for 1950. An extra payment of this sort for a Company of our size represents a very large amount. The possibility of similar payments in future years will continue to depend upon the results attained in those years." Mr. Hughes added: "We are happy that the Company is able to recognize associates' efforts in this special, substantial manner in addition to the regular Company provisions for associates' benefit, which include the Sick Benefit Plan, the Gratuitous Death and Dismemberment Benefit Plan, the Thrift and Profit-Sharing Retirement Plan and others."
