IT WAS A BEAUTIFUL CHRISTMAS!
What a beautiful Christmas day we had at the hospital with a lovely turkey dinner and all the trimmings!
We'd like to thank the girls at the hospital and Mr. Lowe for our care and all our friends for the beautiful tree and flowers, for our gifts and the many cards and letters.
We also want the carolers of the S. D. A. church to know we appreciated and enjoyed their singing.

To the Missionary Society of the Valby church we thank you for the flowers you sent us.
We want to especially thank Mr. and Mrs. Frank Young of Hermiston who always at Christmas time send us a year's subscription to the Heppner Gazette Times.
Mrs. Nellie Anderson
Mrs. Della Hutchins
Mrs. Robert Gammell

NEW FORD TRUCKS for '51

FEATURE POWER PILOT ECONOMY

FOR 1951, more than ever, economy-wise truck buyers are going to follow the trend to Ford!

New Ford Trucks for '51 give you step-ahead engineering advantages, such as America's only truck choice of V-8 or Six... a choice of over 180 models—from 95-h.p. Pickups to 145-h.p. Big Jobs—to fit your hauling job better.

strength reserves that make Ford Trucks last longer.

You'll find these new features in engines, clutch, transmissions, axles, wheels, cabs, Pickup body—wherever there have been opportunities to make Ford Trucks do a better job for you, for less money!

Ford's POWER PILOT is especially important to you. No matter what kind of truck duty you are interested in, the Power Pilot is a PROVEN money-saver, on every hauling job.

Driver comfort, too, gets plenty of attention in new-styled Ford Trucks for '51. The new optional 5-STAR EXTRA Cab features foam rubber seat padding, glass wool roof insulation, automatic dome light and many other comfort extras, at only slight additional cost.

And only Ford gives you a power choice of V-8 or Six... four great engines! Over 180 models. Come in and get ALL the facts.

The Ford Truck Power Pilot is a simpler, fully-proven way of getting the most power from the least gas.

It automatically meters and fires the right amount of gas, at precisely the right instant, to match constantly changing speed, load and power requirements.

Unlike conventional systems, the Power Pilot uses only one control instead of two, yet is designed to synchronize firing twice as accurately.

You can use regular gas... you get no-knock performance. Only Ford in the low-price field gives you Power Pilot Economy!
