You Have To See It!
To Believe That With a 3½ inch Warm Air Duct-System You Can Get So Much More Automatic Comfort

You Have To See How It Puts "Wasted" Heat To Use! Only a Coleman Automatic furnace, with the sensational new BLEND-AIR heat-distribution system, gives you such even temperature from floor to ceiling day and night. It stops the hot ceilings that waste heat and cold floors that cause colds.

You Have To See How It Gives Individual Heat-circulation to each room. No more "freezing" in the bedrooms! Now each bedroom has its own warm air Blender! Each room automatically gets the right amount of heat for greatest comfort.

You Have To See How It Cuts Installation Cost! BLEND-AIR not only gives you more comfort, and cuts heat-waste! Usually, it costs less to install than an old-style heating system.
