

Mustangs Lose to Condon, Beat Lone During Past Week

Losing some of the punch that kept them in the lead throughout the first half of the game the Heppner high school Mustangs dropped their game with Condon here Friday evening by a score of 49 to 45. The Mustangs were ahead 21-18 at the end of the first half. This was the third defeat in four starts for the local squad and the boys are beginning to wonder if they are not being hexed by a jinx.

Jim Prock led his teammates in Friday's game with 18 hard earned points.

Jack Sumner and Roland Taylor paced the B team to another impressive victory, each collecting 15 points.

Heppner came back Tuesday evening to win from Lone by a score of 45 to 37. The jinx that seemed to be upsetting Mustang winning schedules was broken at last and the boys broke into an early lead and sustained it through to the final whistle. Jim Prock was the outstanding point maker with 19. Baker of Lone ac-

counted for 10 of his team's points.

With Jack Sumner subbing for Gary Connor on the A team, the B squad took its second defeat of the season at the hands of the lone Babes. Wesley Marlatt led his teammates with 10 points to his credit.

Capital Parade

The present law has varying regulations for practically every type of motor vehicle and has been branded discriminatory.

Suspension of drivers' licenses would be mandatory upon conviction of a drunken driving charge. Certain other minimum penalties would be mandatory.

William Healy, assistant secretary to the legislature to provide penalties. He suggested that a 30-day suspension for first offenders might be considered, with six months to one year suspension on the second conviction and as high as three years suspension of license for the third conviction.

REAPPORTIONMENT RULING

There would be changes that

would abolish certain legislative districts if the reapportionment bill now before the legislature becomes a law.

"The status of a holdover senator whose district might be abolished as a result of reapportionment would remain unchanged until the expiration of the term for which he is elected," Attorney General George Neuner ruled on request of Sen. Angus Gibson, Junction City, who was elected at the November election as senator to represent the 4th senatorial district comprising Linn and Lane counties.

Shamrocks Bounce Hermiston 56-32

Meeting for the first time this season the Heppner Shamrocks last Saturday night downed their traditional Hermiston rivals on the Hermiston floor by a convincing 56 to 32 margin to grab undisputed first place in league standings.

With Saturday night's victory the Shamrocks stand alone as the only undefeated league team with all other teams having at least two losses. The Shamrock's record for the season is now 14 wins in 15 games.

LEAVE FOR LOS ANGELES

Mr. and Mrs. Raymond Batty left Heppner Tuesday morning for Los Angeles where they will take up residence. They sold their ranch below Monument to Raymond's brother Kenneth. Raymond will enter a technical school to further his studies in electronics. A veteran of World War II, he went on 54 light missions over Germany as a bombardier-navigator. The Battys are all prepared to locate in Los Angeles, having purchased and equipped a 33-foot trailer house. Raymond says if he has to report for duty, Mrs. Batty can go along with him as long as he is located in the States. They were guests of his sister and husband, Mr. and Mrs. Douglas Ogletree Monday night.

A WORD OF THANKS

The friends who remembered me with calls, cards and flowers during my recent hospitalization have my heartfelt thanks. I only wish I could see each one and express my appreciation personally.

Mrs. Henry Schwarz.

Mr. and Mrs. J. G. Thomson are in Portland this week where Mr. Thomson is receiving medical attention.

Jack Edmondson and Miss Rachel Cox drove to Spokane to spend the week-end with Mr. and Mrs. Clarence Wise and to visit Darlene Wise.

Power Co. Names Coordinator For Civilian Defense

Colonel F. L. Beadle, appointed civil defense coordinator for Pacific Power & Light company.

Colonel F. L. Beadle, former army engineer who built the largest bomber strip in the world, has been appointed civil defense coordinator for Pacific Power & Light Company, according to word received here today by J. R. Huffman, local manager.

A veteran of two wars and now retired after 30 years in the army, Colonel Beadle formerly was district engineer in Duluth, Minn., and is well known in the Pacific northwest through his service as executive officer of the Portland army engineer district.

"Our company is vitally interested in every public effort which involves the interests of the people in the communities we serve," said Paul B. McKee, president of Pacific, in announcing the appointment. "Hence we are much concerned with the plans being developed for civil defense and protection. This involves the emergency which might result from armed aggression from without our borders or sabotage from within. Beadle will help plan, organize and centralize Pacific's preparedness program. In addition, the company plans to make him available for consultation with state, city and other local authorities engaged in civil defense planning. It will be part of his work to coordinate the company program with that of the communities it serves, said Huffman.

Beadle has had wide military and engineering experience gained through his long army

LEAVE HOSPITAL

Vern Bell, former Heppner high school student who recently enrolled at the Monument high school, was a patient for a few days at the Pioneer Memorial hospital. Vern and Arlyn Davis of Kimberly were in an accident near Monument early Sunday in which Vern suffered a fractured knee cap and Davis suffered severe shock. Both boys were dismissed from the hospital today.

career. He served as an enlisted man in World War I and then was appointed to West Point, where he was graduated in 1922.

During World War II he served in the Pacific theater and had charge of construction of famous North field on Tinian island, the giant bomber strip from which swarms of B-29s took off to hammer Japan.

In addition to two tours of duty in the Pacific Northwest, Beadle was engaged by Pacific Power & Light during the summer of 1948 as project engineer during construction of a million-dollar transmission line into Central Oregon.

FEDERAL AGENCY LEADERS MET IN CONDON TUESDAY

N. C. Anderson was in Condon Tuesday afternoon where he presided at a meeting of federal agency leaders of Morrow, Gilliam, Wheeler and Sherman counties. These included extension service, forest service, production and marketing administration, vocational agricultural instructors and experiment station workers.

All officers serving in 1950 were reelected, including N. C. Anderson president; Rollow Woods, Fossil, vice president, and Ernest Kirsch, county agent, Condon, secretary.
