RECENTLY FORMED BAND CLUB TO MEET MONDAY

The first regular meeting of the Heppner Band Parents club will be held at 7:30 p. m. Monday, February 12, in the high school gymnasium. After a short business meeting an hour of band music will be enjoyed. The program is planned to demonstrate the method by which the band is trained. Featuring each type of instrument, the beginner on through to the graduate will play in rehearsal groups. The band instructor is anxious to establish personal contact

with the parents and urges that all may attend. This invitation extends to all of the community and anyone who is interested is cordially invited.

Exchange concerts between the Ione and Heppner bands are being arranged. These will be announced soon.

Remember this Friday's basketball game. This is the night when The Thinz will be exposed.

"Lumber" Was Coined in America—The term "lumber", referring to sawn timber, appears to have originated in Boston. As far as is known, the earliest official use of the word was made in records dating from 1663 which listed "lumber and other goods."

"ONE HAPPY FAMILY" TO BE FEATURE PICTURE ON JOHN DEERE DAY

Farmers and their families to be entertained by local John Deere Dealer on February 20

A full length feature picture, "One Happy Family," starring Don DeFore and Marjorie Reynolds, will highlight the parade of entertainment to be staged for farmers and their families who attend the annual John Deere Day show as guests of Empire Machinery Co. on Feb. 20 at the Star Theatre.

"One Happy Family" tells the story of the Lynns, who compose a typical, happy, small-town household until they are awarded the title of "Family of the Year" in a contest conducted by a national magazine. The new title and the \$10,000 in

prize money they win contribute to toss all the Lynns into a whirlpool of comedy and excitement, and Mr. DeFore and Miss Reynolds, as representatives of the magazine, go along for the swim. As entertainment, the picture rates a blue ribbon and will provide the guests with a rollicking time.

Five other new pictures are included in the fast-moving program, according to Mr. Robert Grabill. One of the films, "His Father's Choice," features the likable Tom Gordon, head of the memorable Gordon clan who taught valuable lessons trimmed with humor in previous

John Deere pictures. Another of the films, "Oddities in Farming," offers something new and different in its presentation of unusual machines performing unusual farming operations. "What's New for 1951" will acquaint those in attendance with new John Deere implements and is sure to prove of interest to every farmer and his family. "Mike on the Move" and "The All-American Team," the two movies that complete the program, deal with subjects close to the heart of every farmer.

Open House 10 to 12. Lunch at 12.
