## Orange and Semi-Sweet Chocolate Make Novel Flavor Combination

Newest of dessert treats combine the flavors of fresh orange and semi-sweet chocolate. A delightful way to enjoy this flavor harmony is in a home-made orange cake that can be iced with a delicious chocolate frosting made with semi-sweet chocolate morsels, or the cake can be topped with ice cream and sauced with chocolate. Also included is a simple Chocolate Duet recipe that makes either frosting or sauce, depending on the amount of milk added.

### Orange Cake

- 3 cups sifted cake flour
- 3 teaspoons baking powder
- 1/4 teaspoon salt
- 1/2 cup shortening
- 1 cup sugar
- 3 eggs
- 1/4 cup orange marmalade
- 2 tablespoons grated orange rind
- 1 cup orange juice

Sift flour with baking powder and salt. Cream shortening, add sugar gradually, blending together until light and fluffy. Add eggs one at a time, beating well after each addition. Stir in marmalade and orange rind. Add flour alternately with orange juice, mixing well, ending with flour. Turn batter into well greased pan (10"x17"x3 1/2"). Bake in a moderate oven (350°F.) 30 minutes. Cut cake into squares, top with slice of ice cream, and serve with chocolate sauce, or frost cake with chocolate frosting. If desired, top with whole or chopped nuts. YIELD: 24 squares.

### Chocolate Duet (Frosting or Sauce)

- 1 package semi-sweet chocolate
- 2 tablespoons butter or margarine
- 1 cup sifted confectioners' sugar
- 3 to 4 tablespoons hot milk, for frosting
- 1/4 cup hot milk, for sauce
- 1 teaspoon vanilla

In top of double boiler put semi-sweet chocolate and butter. Heat until melted and mix until smooth. Remove from heat. For frosting add milk and sugar alternately, adding enough milk to make a spreadable consistency. Stir in vanilla. For sauce, increase milk to 1/2 cup. YIELD: Frosting for top of 10x16 inch cake, or 1 1/2 cups chocolate sauce.

the senate to continued to be apportioned on a population basis, but would increase the 60-member house to 69 members giving each of the 36 counties a representative and apportioning the rest by population.

State problems are becoming so complex that sessions every two years aren't often enough according to Sen. Jack Bain, Portland. He intends to introduce a bill establishing annual sessions.

The last legislative work of the late Sen. Carl Engdahl of Umatilla county was to present a proposal to the joint ways and means committee to authorize the governor to appoint a state

business analyst to make a study of all departments. The late senator was confident that if a good job was done the state would save several million dollars annually.

### Senate President March 1953

Every 38 years it happens. Oregon has a pattern of electing a former presiding officer of one branch of the legislature to preside over the other branch—interspersed by a period of 38 years.

John Whitaker was the first governor of Oregon under the state government in 1859 and served until 1862. He became a member of the house of representatives from Lane county in 1866, was reelected and served in the sessions of 1868 and 1870 when he was elected speaker. In

1876 and 1878 he was a member of the senate and president of the upper house during both sessions.

Thirty-eight years later Ben Selling of Multnomah county was a member of the senate from 1897 until 1911 when he became president. In 1915 he was elected a member of the house and was elected speaker.

Time will be up for it to happen again in 1953. Senator Eugene Marsh of McMinnville who was the very efficient speaker of the house in 1945 seems pretty certain to become president of the senate at the next session.

### New Sales Tax Slant

Representative 'Pay-as-you-go' Henry E. Peterson of Ione wants a sales tax in the '52 ballot along with a clear statement in the title of what relief he reasons it will provide for the low range of income tax payers.

He also would have submitted a constitutional amendment pro-

viding that as long as a sales tax operates there could be no state tax on property.

### After Daffodil Drivers

A bill drafter for the senate roads and highways committee provides more drastic penalties for persons convicted of drunken driving and coordinates with laws of bordering states.

Penalty on first conviction would cancel the operator's license for 90 days; on second conviction the driver's license would be revoked for one year and on third conviction the license be revoked for three years.

Mr. and Mrs. Harry Sherman were visitors here over the week end, coming from their home in Oregon City, where they located about a year ago. They came on Thursday and returned to their home Monday.
