Ex-Marine Makes Debut Over Radio
 Several Heppner people who had been forewarned tuned in on one of the ABC stations Saturday evening to hear Conrad Schultz, young tenor of Los Angeles in his initial performance on a studio program. It was a pleasant experience for all who heard him, for it was no ordinary voice that came to them over the airwaves. It was a voice that gives much promise of being heard in big time circles, possibly the opera.
 Schultz, an ex-marine veteran of World War II is a nephew of Mrs. Lillian Clogston of Heppner. His mother, the former Ina Johnson, was raised here and named her son for her brother, Conrad Johnson, remembered by many of the older residents of the community. The Schultz family located on Tuile lake across the border south of Klamath Falls where success attended their efforts and a few years ago they moved to southern California to make their home and where their son, Conrad, following his hitch with the marines, took up music as his life's work.

Dry Cleaning, Too,
 has gone Modern!

Did you know that many, many different solvents must be used—alone or blended—in a dry cleaning plant?
 Wool requires one kind... nylon another... acetate still another. In addition, different solvents must be used for ink, for grease, for fruit stains.
 Hence, each cleaning job we do is practically a custom job
