PENDLETON
MAY 24-25-26

Mr. and Mrs. Walter Thompson are the parents of a son born May 12 in the St. Anthony's hospital, Pendleton. This is the first son for the Thompsons and the third child.

Mrs. Katie Bickford of La Grande is visiting at the home of her son-in-law and daughter, Mr. and Mrs. Armin Hug.

Mr. and Mrs. Ronald Willett and daughter of Fort Lewis were at the home of her father, E. T. Messenger, Saturday. Mr. and Mrs. Truman Messenger and family of Lexington were also Saturday visitors.

A short Mother's day program was at the Boardman Community church Sunday. Corsages were presented the oldest and the youngest mothers present, who were Mrs. Jesse Allen and Mrs. Clayton Allen. Cakes were presented to the mother with the entire family present and the mother who had the largest family. Mrs. Russell Miller and Mrs. Frank Cole were the winners.

Four Boardman school band students, Donald Gillespie, Allen Ely, Gracia Veelle and David Miles, joined the Irrigon school band going to Milton Saturday to take part in the parade.

Mr. and Mrs. Elvin Ely and daughter left Saturday for Lebanon where they attended the funeral services for Mrs. Ely's sister-in-law, Mrs. Roy Chandler.

Mrs. Ruth Studer spent the week-end in Portland with her family.

Mr. and Mrs. Jack Mulligan and family were week-end visitors with relatives in Newport.

John Beddas who has been visiting at the home of his brother-in-law and sister, Mr. and Mrs. Charles Nickerson, left for his home in Elgin, Monday.

Mr. and Mrs. N. A. Macomber motored to Pendleton Sunday evening and were dinner guests at the home of their son-in-law and daughter, Mr. and Mrs. Gilbert Petseys.

Miss Mildred Miller, student at EOC, La Grande, was home with her parents, Mr. and Mrs. Russell Miller for the week-end.

Mr. and Mrs. Neal Bleakney of Mabton, Wn. were Sunday callers at the R. S. Wilson and Claud Coats homes.

Oregon's Fighting Men Eligible For War Veteran Status

Oregon's armed forces fighting men in Korea and elsewhere will have available, on their return, most of the state benefits presently enjoyed by World War II veterans, by virtue of measures enacted by the 1951 legislature to grant "war veteran" status to

present-day servicemen. The state Department of Veterans' Affairs listed those benefits as follows:

1. Educational aid benefits ranging to \$50 a month. Requires service in Korea at some time since June 25, 1950 and before termination of present hostilities.
2. Referendum to be voted upon at the next general election, to extend the 4 percent, \$6,000 State veterans' home and farm loan to Oregon men with 90 days or more active duty since June 25, 1950. Service in Korea not required. People's votes required because it amends the constitution.

3. "War Veteran" redefined to include "every citizen who has been a member of the armed forces (during) the period between June 25, 1950, and the cessation of the present national military emergency as determined . . . by the governor . . . and who has been discharged or released therefrom under honorable conditions."

This new definition automatically makes today's serviceman entitled to a \$1500 state property tax exemption if 40 percent disabled by service—or to his unmarried widow; to county indigent fund assistance; and to state, county and city civil service preference.

ERWIN TO HAVE SALE

Reopening of the Heppner Sales yard is announced this week by Harold Erwin, manager. Livestock will be the principal offering but if you have anything you want to sell take it to the Heppner Sales Yard and you will more than likely find a buyer.

Wranglers Making Progress in Plans For June Hey Day

At the regular meeting of the Wranglers earlier this month plans were outlined and shaped for the annual June Hey Day. The date has not been announced but arrangements are going ahead for this event which rates a good second to the annual Rodeo in September.

Under the management of President Merle Becket, various business matters were taken care of. It was noted by members present that the club rooms showed much improvement following the work of carpenters and plumbers.

Mrs. Don Robinson gave a good talk on feeding and care of colts. Mr. and Mrs. Charles Ruggles entertained with motion pictures and G. H. Dodson of the Picture Shop had a large number of pictures on display taken at the Rhea Creek Riot. He also presented the club with several large pictures of calf roping.

Refreshments were served by Mr. and Mrs. Wilbur Steagall and Mrs. Martin Bauernfeind.

FOR SALE—fine dahlia and glad bulbs for last minute plantings. Heppner Flower Shop.

WE STILL HAVE some bedding plants. Get yours right away and enjoy a colorful yard later. Heppner Flower Shop.

GET YOUR Memorial Day supplies early at The Heppner Flower shop. Wreaths and legged flower cans available.

From where I sit... by Joe Marsh

"One For The Book"

Miss Reynolds, our town librarian, really put a smart-aleck motorist in his place last week—right in center of town, corner of Main and Walnut.

Her car stalled, tying up traffic. Most drivers just waited quietly—realizing she couldn't help it—but one fellow kept blaring away on his horn.

So Miss Reynolds gets out of her car, walks over and says sweetly, "I'm afraid I can't start my engine. If you'd like to try I'll stay here and lean on that horn for you." That stopped him!

IT'S HERE! The New HOLLAND WIRE-TIE baler!

Wire-ties up to 10 tons an hour—100 tons a day!

Before this new, one-man wire-tie baler was offered for sale it was fully tested from coast to coast under varied field conditions!

- The New Holland "80" will bale up to 10 tons per hour—more than double the capacity of ordinary wire-tie balers! Not just a conversion of the famous "77" wire-tie, the Model "80" was designed from the ground up as a wire-tie baler. Its tying mechanism is fast and trouble-free. Pick-up and baling action are so gentle that the valuable leaves are saved. This means up to 50% more feed value . . . a better price for hay.
- If you're in the market for a wire-tie baler, remember only the "80" gives you up to 10 tons an hour!

DOUBLE THE CAPACITY OF ORDINARY WIRE-TIE BALERS PLUS THESE EXCLUSIVES!

- Warning System: When wire in the can runs out, an automatic warning lets you know in plenty of time to prevent missing any bales.
- "Wet" or Dry Hay: Hydraulic bale tension control, an optional feature, automatically allows for variations in moisture content of hay.
- New Holland Twist: The Model "80" tie is "line twist" in an "in-line twist" knot and sturdy, this wire-tie lies flat—will not pull loose or uncoil.
- Roll-Away Bale Chute: Standard equipment on the wire-tie "80", the roll-away bale chute flips bales far to the left out of the tractor's path.

With a New Holland "77" you can count on baling up to 10 tons of hay an hour. The "77" is rugged, simple in construction. It has 20% fewer parts and offers many improvements. Farmers agree there's no finer wire-tie baler!

"Most Dependable Car in America?"

BUILT TO LAST 100,000 MILES

Everyone knows that Pontiac is famous for dependability. If you want personal confirmation, talk to a few owners who have driven Pontiacs over the years. You'll be surprised how many say: "Pontiac is the most dependable car in America!"

That's an important reason why the 1951 Pontiac is in such tremendous demand. True, it's the most beautiful thing on wheels—a joy to drive and ride in. But Pontiac dependability is convincing a lot of people to make Pontiac their first choice.

Long, trouble-free operation is a big reason why dollar for dollar, you can't beat a Pontiac! Come in and get the facts and figures that prove it.

Equipment, accessories and trim illustrated are subject to change without notice.
