Three Korean Heroes Receive Medal of Honor, The Highest Fighting Award

Washington, D. C., Sept. 11.—Three Army heroes, pictured after receiving the nation's highest award, the Medal of Honor, from President Truman. They are, 1. to r., Sgt. John A. Pittman, Tullala, Miss.; 1st Lt. Carl H. Dodd, Kenvir, Ky.; and M/Sgt. Ernest R. Kouma, Dwight, Neb. Sgt. Pittman, although wounded, threw himself upon an enemy grenade thus saving the lives of his men. Lt. Dodd spearheaded a cleared out a machine-gun nest and led his platoon in wiping out every hostile position. Sgt. Kouma discovered his tank was the only obstacle in the path of an enemy onslaught. He spent nine hours of violent action, running an eight-mile gauntlet through enemy lines, leaving 250 enemy dead behind. Twice wounded he attempted to return to the fighting. These heroes are giving everything in defense of their country, and they expect those at home to do their share. The best way, they say, is "to buy U. S. Defense Bonds." They add: "Defense is your job too. Back the Fall Defense Bond Drive."

Local OSC GRADS Asked to Help On New Football Stadium

Former students and graduates of Oregon State college living in Heppner and Morrow county are being asked to pledge \$2000 as the local phase of the OSC Football Stadium campaign was activated here this week.

About 50 Oregon Staters live in Heppner and another 25 are living in other parts of the county. Most of the Heppner group will be personally solicited whereas alumni living in other towns will be reached by mail.

Chairman of the women's phase of the local campaign is Mrs. P. W. Mahoney, whereas Ralph Thompson and James J. Farley will conduct the campaign among male Oregon Staters. All three are graduates of OSC.

Right now, about \$260,000 has already been pledged by Oregon Staters and friends of the college living in the state. It is anticipated that \$700,000 is needed to construct the first 30,000 section of

Members of St. Patrick's Parish will observe next Sunday, September 16, as Catechetical Day. This day will mark the beginning of the program of religious instruction for the children of the Parish for the forthcoming school year. Teachers will be chosen and books will be distributed.

A potluck dinner will be held at 1 p.m. for all the members. This will be held on the church lawn or, if weather will not permit, in the hall downstairs.

There will be a change in the regular schedule of Masses. Mass next Sunday will be at 9:30 instead of 8:00 and there will be only one Mass in Heppner. Masses for the following Sunday— Ione, 8:00; Heppner 9:30.

the proposed football stadium, which will be located southwest of the OSC campus and adjacent to the gigantic Gill Coliseum.

Oregon State college, which has always been a power in the Pacific Coast conference has the poorest football facilities of any other school in the conference. The only possible way to construct a football stadium is through gifts from alumni and friends of the college. All gifts are tax exempt stadium officials reported.

Donors are offered the opportunity to pledge their gifts over a three year period. Each donation of \$100 or more gives the donor top seating priority in the new stadium for five years.

Actual construction of the football stadium will begin next summer and fall. Already, engineers are making initial soil studies on the site of the new stadium.

In a letter sent to Morrow coun-

ty Oregon Staters, college president A. L. Strand said that this is the first time in 29 years that OSC people have been asked for cash gifts for a needed campus improvement.

IN APPRECIATION

I want to take this opportunity to express my sincere appreciation to the people of the Lena community for selecting me as their Fair and Rodeo Princess. It was the grandest experience of my life, and leaves memories I shall cherish always.
