

Mustangs Lose Final Game 19 to 13; Take Third Place in League Standing

The Hepner high school Mustangs wound up their league football season last Friday on the short end of a 19 to 13 score at the hands of a lively Moro squad. The Hepner squad finished the season in third place in the district 6B league with a season record of 6 won and 2 games lost. Only defeats were at the hands of Maupin and Moro.

Coach Hal Whitback's boys were a little off form Friday when they let Moro's trick ball handling confuse them during parts of the hard-fought game. Hepner's pass defense worked pretty well against the Moro team, but frequently the Sherman county eleven would make long gains on tricky double reverses and laterals. One such reverse play on a kickoff by Hepner, resulted in a Moro touchdown.

Though Hepner was behind a good share of the game, the boys never quit fighting and on the final play of the game Jack Sumner grabbed a Moro fumble and headed for pay dirt only to be knocked out of bounds 10 yards short of the goal after a broken field run of nearly 40 yards. The final gun sounded before he completed the play which could have tied the score.

The Hepner passing attack, while clicking for several sizeable gains was over shadowed by ground play with several Mustangs getting loose for long gains. A large crowd of Hepner fans watched the final home game.

Wendell Connor, who was injured in the game was hospitalized for three days, but is now recovering at home from his injuries. 10 boys played their last game

4-H Achievements For Year Told

Some 180 boys and girls in Morrow County are celebrating National 4-H Achievement Week—this week, November 3 to 11. "These young people", says County Agents Casswell and Anderson—"can look with pride on a long list of accomplishments; they can look ahead to even better results from the groundwork laid the past year. Therefore, it is very fitting, during this week, that deserving recognition be given to them along with their local leaders and parents."

With the country facing a critical situation, 4-H'ers are planning to increase their efforts to help keep America strong in 1952 in various ways. They will, as in the past year, be producing and conserving food, learning to do by doing, and all in all, practicing god citizenship in countless other ways.

Since this is Achievement Week it is only proper that the accomplishments of our club members for the 1950-51 club year be summarized.

The 179 members who carried 283 projects this past year were enrolled in 33 clubs which were led by 46 leaders and their assistants. Projects carried by members were beef, 27 members carrying 65 animals valued at \$22,701.

Everyone rode in trucks and cars up and down main street and around the town making all the noise possible before they burned the "M".

Ione Takes Football Title

The Ione Cardinals continued to roll over Umatilla-Morrow county league opposition as they subdued a strong Stanfield team on Friday on the Ione turf, by the score of 27 to 9.

This win maintained Ione's undefeated record and enabled them to annex the eight-man league championship.

Stanfield spent a good share of time trying the airplanes and in one instance hit pay dirt. Their only other score came on a safety. Ione's alert pass defense accounted for several interceptions.

Herbert Ekstrom, the Cardinal right guard suffered a fractured collarbone in the game, but it is believed he will be ready for action when Ione plays for the 8-

"Talks Turkey"—Long Distance

Some people chuckled when Sonny Fisher rented a home recording machine to record the noise his flock of turkeys make.

"I sent the recording to a buyer for a super-market chain," Sonny said. "I told them 'My turkeys speak for themselves—listen to this record!' They not only took my birds, but bought the record!"

"Why did they want the record?" I asked him. "Very simple," he says. "They're going to play it over the loud speakers in their stores—and then an announcer on another record reminds the cus-

tomers that turkeys are plentiful and a good buy."

From where I sit, it's not always smart to make fun of someone just because he does things a little differently. I think a glass of beer is the most refreshing beverage there is. You—or Sonny—may prefer something else. But who's to decide one's right and the other's wrong? Let's stay "on record" that everyone's entitled to his own tastes and opinion.
