NEW Larro DAIRY FEED

protected by Larromin

The same finest-of-all results... but now with a higher degree of palatability. The new Larro Dairy Feed is coarse-textured, bulkier and molasses-scented. Cows readily eat their full allowance of new Larro in addition to the hay they require. And with new Larro, protected by Larromin, there's no worry about mineral deficiencies, or bother with supplementary minerals.

\*You Need Feed No Supplementary Minerals. Larromin is General Mills' new, exclusive combination of essential base and trace minerals.
