Games for All
Make Christmas
Family Party

Christmas is the time for family get-togethers. One of the best ways to make these gatherings memorable for all concerned is to engage in games which the whole group can play.

A nice one to start off with would be a Sugar Plum Hunt. Have one member of the family hide Christmas candies ahead of time in various nooks and corners around the house. At a given signal everyone starts hunting and gathering the pieces. The one who gathers the greatest number would be given a prize.

The Christmas Puzzle is another good one to get things going. Look through some magazines, which are filled with pictures of Santa Claus at this time of year. Cut out enough of these to go around, paste them on stiff cardboard, and cut them into pieces. Then put each group of pieces in a separate paper bag. At the signal, everyone opens a bag and starts putting the puzzle together.

The Xmas Scramble Contest is good for a group with older children in it. This is simply a contest to see who can unscramble a group of words the fastest. Just for fun, see if you can work out the following—astna, erreden, ehsgil, dynca, gosiknct, erte, trepsen, hupnc, alsorc, and niborb.

If Santa Misses,
Reindeer Supply
Will Be at Fault

If Santa Claus misses some youngsters this year, it could be offered plausibly that he was not able to round up enough reindeer for his yearly trip around the globe.

The reindeer shortage has become, in recent years, much too acute. It has been estimated that wolves have destroyed 500,000 of Santa's helpers within the last decade or so, leaving an approximate 50,000.

The difficulty of keeping the animals alive in a temperate climate makes it unlikely that any of the few remaining will be transported

from their native regions to other lands for the holiday season, as has been done in the past.

American boys and girls will have to be satisfied with stand-ins. The few department stores featuring Santa's complete outfit this year will be using native deer as substitute for Dasher, Prancer, and company.

England Once Forbade
Christmas Observance

Did you know that the observance of Christmas was once forbidden in England—the home of the Yule Log, the Carol-singer and the wassailers?

During the Reformation many believed the undue jollity of Christmas day was sacrilegious. Parliament, on December 24, 1652, ordered that "no observance shall be held of the five and twentieth day of December, commonly called Christmas day; nor any solemnity used or exercised in churches upon that day in respect thereof."

This edict proved to be very unpopular with the masses of the people. It was not until many years later, however, that Christmas was once again regarded as a holiday.

Denmark Pays Homage
To Hans Anderson—
Santa's Best Helper

LAST YEAR a festival in Denmark paid tribute to one of the greatest helpers Santa Claus ever had. He was Hans Christian Anderson, fairy tale writer, and composer of many Christmas stories.

His works have sold more copies than any other book, except the Bible, and have been translated into 35 languages, including Arabic, Hebrew, Chinese, Japanese, and Greenlandish.

Since 1875, the year that he passed away, visitors from all parts of the world have come yearly to the town

of Odense to see the home of the writer of such tales as "The Little Match Girl," and "The Ugly Duckling."

Anderson's fairy tales, released just before Christmas each year, brought him money, fame and the attention of princes, as well as the adoration of children.

Once he received a United States dollar bill, enclosed in a letter written by a young American girl. It read: "Papa says that the dollar is my own, that he does not suppose you are in particular need of money, but I owe you this and a great deal more, he thinks it proper that I should send it to you."

Ancient Church Bells
Still Summon Village

A pair of ancient church bells, brought to Frankenmuth, Mich., from Bavaria shortly after Frankenmuth was founded as an Indian mission, has been calling the congregation of St. Lorenz to Christmas eve services for more than a 100 years.

Ninety-five per cent of the residents of the small community are members of the church, earning the village the title of "the most Christian community in the United States."

Frankenmuth has never had a crime of violence, and, as far as residents can remember, no one has been jailed over a period of 25 years. The only visitors to the lockup were transients given a night's lodging.
