## 1952 Chevrolet To Be Shown Saturday

A brilliant array of smart, new colors, a richness in passenger compartments never before achieved in the low-price field, an easier ride and readier power response headline an impressive list of advances in the 1952 Chevrolets, to be displayed Saturday at Hodge Chevrolet Co.

Distinguished in styling and performance, the new Chevrolets meet in every respect the exacting standards that have won the company its dominating position in the automobile industry. In 1951 Chevrolet sold more cars than any other make for the twelve conservative peacetime year.

Specifically, the new models on display January 19 offer: Greater comfort through radically re-engineered power mountings and re-design of shock absorbers. Improved performance under extreme operating conditions through refinements in carburetion. A wide variety of solid and two-tone color exteriors combined with harmonizing interior fabrics that give the customer an amazing 129 choices.

The models to be shown here are representative of eleven body types comprising the Chevrolet passenger car line for 1952.
