Sportsmanlike DRIVING

DON'T DRINK AND DRIVE

Why don't drinking and driving mix? The answers are no longer guess-work, says the AAA driver training book, "Sportsmanlike Driving." The facts are now known. Alcohol reduces reaction time. A drinking driver is slow to sense danger. He's slow to react to it. He feels relaxed and confident. He loses normal fear of consequences. He gaily throws caution to the winds. "Oh, maybe he isn't 'drunk.' Maybe he 'had only a drink or two'—like the late George Brown!" "George insisted the left side

of the white line was ours," said his wife—in the hospital after the accident. "He pulled right in front of that big truck."

Attention wanders; eye muscles misbehave; judgment goes bad. Drinking drivers misjudge their own and other cars. They are hazy about critical things—speed, distance, road width, lanes.

There's mighty good sense in the old advice, "When you drive, don't drink; when you drink, don't drive." It's taking a smart detour around hospitals and cemeteries!

Mr. and Mrs. G. W. Seehafer left for Corvallis to visit relatives.

Jeff Walker of Heppner has been cutting down trees here the past week.

Pendleton visitors the past week were Mr. and Mrs. Eldon Tucker and Mrs. Roy Lindstrom and Mrs. Fannie Griffith.

Mr. and Mrs. Pete Cannon and Mrs. Echo Palmateer were Hermiston visitors Saturday.

Otto Rietmann donated an oil stove to the new library.

The Ione Auxiliary met at the home of Mrs. Robert DeSpain on Tuesday evening of last week. The unit received their new flags, one national and one Unit flag. They plan to show a film in the near future on the work of the Legion and its Auxiliary.

Cards and refreshments were enjoyed after the regular meeting of the Willows grange Saturday evening.

Mrs. C. W. Swanson returned from the Pioneer Memorial hospital in Heppner Saturday where she was a patient due to a broken knee.

The H. E. C. of Willows grange met at the home of Mrs. O. L. Lundell Friday Jan. 18 with Mrs. Mary Swanson as co-hostess. The club decided to purchase chairs for the grange hall.

Mrs. Verner Troedson, president of the Topic Club appointed the following chairmen for committees to work on the Smorgasbord to be given at the Legion hall March 30; Mrs. Milton Morgan, food; Mrs. Omar Rietmann, tables; and Mrs. Victor Rietmann, advertising and tickets. Guests at the Verner Troedson

home Sunday were Mr. and Mrs. Johan Troedson and son Carl.

The Maranatha Club met at the Co-operative church Thursday of last week and put an edging on their tables. A potluck dinner was served at noon.

Mrs. Russell DeBondt underwent a major operation at the Good Samaritan hospital in Portland Monday. Mr. DeBondt is with her.

Mr. and Mrs. Jack Davis of Umatilla spent Sunday at the C. E. Brenner home.

Mr. and Mrs. Norman Nelson are the parents of a daughter born in Heppner Jan. 15.

Ronald Tye left for the Army Monday of last week. He is stationed at Fort Lewis, Wash.

Mayor Omar Rietmann stated the dedication of the new city hall would be about the middle of March. They plan to have a couple of speakers and the former mayor of the city present.

Ione high school lost their first League game to Umatilla here Saturday evening. They also lost at Stanfield Friday evening. The B string won in both games. The grade school lost to Umatilla Saturday afternoon here. The town teams lost all their games to Condon here and to Arlington there last week.

Mrs. Thelma Jean Gregory and Lester Downing were married recently at The Dalles. Mrs. Downing is a granddaughter of Mr. and Mrs. Dale Ray.

The Jolly Junior class of the Co-operative Sunday School calsonomed their room and put up new curtains. They would like to thank W. G. Roberts, Omar Rietmann and Larry Rietmann for cleaning and decorating their room and to thank their mothers in helping them make the candy, cookies and pop corn that made their sale so successful. They made over \$27.00. Everyone is invited to come and see their room. Mrs. Omar Rietmann and Mrs. Ralph Crum are the teachers.

The Farm Bureau met at the home of Mr. and Mrs. David Baker Tuesday Jan. 15. Bill Barrett, County president gave an outline of the work to be done

are the parents of a baby boy.

The Dunsworth are now living in Buck's Corners.

Mr. and Mrs. Orris Padberg

a John Deere Day message

January 24th, 1952

Dear Friends:

John Deere Day will soon be here again; in fact, next month, Tuesday, February 12th.

This day is the day we look forward to having our farmer friends here to be our guests and spend the day with us. There just isn't time to call on each of you personally, so we have endeavored to mail invitations to each one of you, but if you do not receive one, please consider this your personal invitation to attend. This program will be along the same lines as in the past years. Meet us and your neighbors at the store in the morning. Lunch will be served at noon, followed by our feature pictures at the Star Theatre at 1:30.

The picture this year is, "Galahad Jones", starring a cast of top notch performers. This is a production I know you will enjoy. There will also be several shorts on interesting farming practices and equipment.

Don't forget the date, February 12th.

Come early, bring the whole family and spend a day with us.

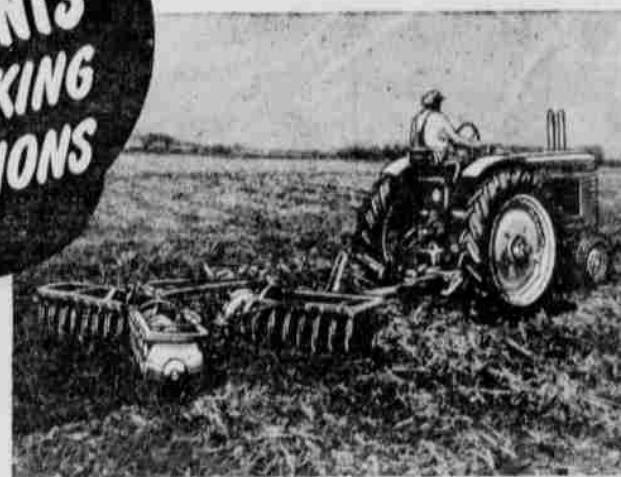

Sincerely,
Empire Machinery Co.
Heppner, Oregon

JOHN DEERE DAY...

Feb. 12

WEIGHT WHERE IT COUNTS for BETTER DISKING in TOUGH CONDITIONS

The JOHN DEERE Model "KB" DISK HARROW

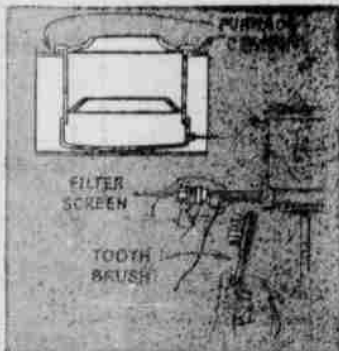

Hard-baked stubble, stubborn stalks, and heavy trash meet their master when you enter the field with a John Deere "KB" Heavy-Duty Disk Harrow. The husky Model "KB" makes short work of the toughest disking jobs because proper weight distribution of the heavy-duty frame holds the gangs to their work and assures good, uniform penetration.

Ample clearance prevents clogging even in trashy conditions. Frame connections provide flexibility for even penetration over the full width of the harrow—on turns or on the straightaway. Heat-treated disk blades hold their keen cutting edge longer. Gangs run on extremely hard, friction-reducing bearings. Ask us about a Model "KB"—there's a size to fit your farm.

The EASY-DOES-IT CORNER

BY ED DICK — GORDON WHITE

How To Keep Your Oil Heater Clean. A dollar-wise neighbor of ours services his own pot-type oil heater regularly—and easily.

He cleans the strainer as shown in the diagram—the Metering Valve stem, too. Washes them in kerosene. Then he scrapes the burner pot to remove all hard carbon. Flange at top of the pot is inspected for air leaks which are sealed with furnace cement.

Of course, using Standard Steam Oil, 100% distilled and clean-delivered, you need only service your heater once a year. If you have a pressure-type burner, try New Standard Furnace Oil with Thermol. It stops filter clogging. Enjoy dependable oil heat comfort with either of these fine Standard Heating Oils. Just call us!
