by Kay Sherer and a humorous reading, "Jack Tends the Baby" by Richard Morgan.

High school students on the honor roll the past six weeks are: Duane Baker, 1.00; Elsie Bauerfeind, 1.00; Leeta Linn, 1.25; Lawrence Jones, 1.40; Mike Reininger, 1.40; Dennis Swanson, 1.40; LeRoy Brenner, 1.50 and Malcolm McKinney, 1.75.

The Ione band will go to Umatilla Friday of this week to a band festival in which bands of Morrow and Umatilla counties

will take part.

The school will enjoy a spring vacation March 17 and 18. The teachers will attend the O. E. A. of the State in Portland those days.

The school is making good use of their new film strip projector. They have shown 9 films in general science, physics, geography and the Owl Family in the lower grades.

The architects on the building plan for the new school building are making secondary preliminary plans which will soon be presented to the building committee for their approval.

Make Easy-Carry Drain Pan from 5-Gallon Can

We've heard about a lot of makeshift drain pans—many of them troublesome. But here's one (below) you can make that can be pulled from under a vehicle by the handle, then carried with one hand.

If you want to do away with engine troubles on your truck or tractor, try RPM DELO Heavy Duty Lubricating Oil. It will save you up to 60% on engine maintenance costs.

RPM DELO Heavy Duty is a high performance level oil, compounded to stop ring-sticking, piston deposits and corrosion. We recommend it particularly for farm tractors. Call us. Service is the chief aim of our local business.

Now-choice of FIVE Great Engines

New 1952 Ford F-7 with new Low-Friction 145-h.p. V-8! Delivers more horsepower per cubic inch than any other gasoline-powered truck engine among the ten leading makes.

in Ford Trucks for '52!

**Engineered for low cost
SPEED HAULING**

Ford now brings you THREE completely new engines... with short stroke, high-compression, overhead valve design that can save you up to 1 gallon of gas in every 7! These three new engines, PLUS the famous 239 cu. in. V-8 (now 106 h.p.), the 112-h.p. Big Six, the new Courier Custom Delivery, mean that there's a Ford Truck that's exactly right for your kind of job—at a rock-bottom per-mile running cost!

**LOW-FRICTION DESIGN
SAVES UP TO 14% ON GAS!**

Ordinarily, engine friction alone can steal as much as 30% of the power your engine develops. Ford's new short piston stroke cuts piston travel, reduces gas sacrificed to engine friction, delivers more of the power developed!

Availability of equipment, accessories and trim as illustrated is dependent on material supply conditions.
F.D.A.F.

**Completely PROVED under toughest conditions!
High-compression punch with regular gas!**
