**Soroptimists Hear Of  
Tamworth England**

Jack Loyd was guest speaker at the Soroptimist Club luncheon Thursday noon at O'Donnell's cafe telling of Tamworth, England where he was stationed during the war. He gave a very graphic description of the town and English countryside and related many interesting incidents of life in England during the war. The Tamworth Soroptimist Club is the sister club of the local organization and the two exchange gifts and correspondence throughout the year. Mr. Loyd displayed a pair of hand-carved walnut bookends presumed to be over a hundred years old. These were given to him during his stay in England. He described the Cathedral of Tamworth as being a most impressive structure with three tall spires and many large stained-glass windows. The Cathedral remained untouched by the blitz owing to the fact that the Germans used it as a landmark in locating their bombs. However, the many thousands of pieces of stained glass which compose the pictures in the windows were removed and buried for safe keeping.

Another interesting feature of the day's program was the English magazines and newspapers which arrived this week telling of the death of the late King George VI and depicting the pageantry of his burial. These were sent to Josephine Mahoney Baker by Frank Hale, former Heppnerite now residing in Bedfordshire, England where he is employed in the office of the Air Ministry.

**All Saints Auxiliary  
Has Student Program**

Loretta Burnside gave "The First Date", and Charles Bailey was eloquent in his choice, "Learning to Drive".

The students showed remarkable poise and their gestures were expressive and natural. A letter was read from Mrs. O. G. Crawford of Gearhart requesting the Heppner Auxiliary to furnish a skit for Convocation which is to be held in La Grande in April.

Mrs. Floyd N. Adams, Mrs. R. B. Rice and Mrs. Frank W. Turner, committee on Foreign Missions, told of sending children's and babies clothing to the Philippine Islands.

Mrs. R. B. Rice, chairman of the United Thank Offering, requested that all money be turned in by the first week in April so as to be taken to Convocation in La Grande on April 18.

Plans were made for a public card party to be given in the Parish house on the evening of Easter Monday, April 14. Committees for this will be appointed at a later date.

Mrs. James J. Thomson and Mrs. Stephen R. Thompson were hostesses for the afternoon.
