An alert, aggressive legislator of 17 years experience. Acknowledged authority on taxation. Recognizes the need for intelligent economy. Works for it and votes for it. Twenty years mayor of Moro. Chemical warfare service in World War I. Editor of oft-quoted Sherman County Journal.

**WHAT HE SAYS:**  
The first duty of a legislator is to be completely informed about his district and the problems of its people. He should work steadily and conscientiously for their solution. "The welfare of eastern Oregon depends on the continued development of Columbia river basin power together with transportation and irrigation; upon getting grass to grow on its sage-covered range lands; upon further utilization of timber resources; upon a foreign policy that will permit the development of markets in the Pacific; upon keeping as much of our power at home as we can use; upon keeping all of our water; upon a tax policy that will permit citizens to buy and improve property."

**WHAT OTHERS SAY:**  
Shrewd, sagacious, resourceful, energetic, courageous, knows thoroughly how work of a legislature is accomplished, champion of economy, keen in analysis, tough and able scrapper, works hard. —Oregon Voter at various times. 1951 newspaper pool: "Intellect probably among the keenest in legislature... this veteran, who knows more about taxes than any other legislator, is brilliant... he is probably the hardest working member of the House and his integrity and ability are above question... an effective man on the floor and a tireless committee worker.
