Over 100 Attend IOOF Rebekah Dinner With Echo As Guests

Over one hundred Oddfellows, Rebekahs and guests attended the potluck dinner and open meeting at Willows Lodge No. 66 Wednesday May 7. Members of the two organizations from Echo were honor guests and presented a brief program following the dinner. J. C. Payne was master of ceremonies and introduced Steve Westfall of Echo who entertained with pencil and chalk drawings and pertinent comment following this Mrs. Lillian Robertson, Echo, gave a reading, "What Constitutes a Good Rebekah"; and Steve Westfall entertained further with "Johnny", a ventriloquist act. After the program, square dancing was enjoyed with music by Mrs. Clive Huston and Roy Quakenbush.

The decorations, by Mrs. Ted Pierson, were unusually effective. A gaily colored maypole, complete with many story-book dolls to which streamers were attached and which appeared to be winding the pole to the tune of a small Swiss music box, was used to center the tables which were arranged in spoked fashion from this focal point. The dolls were from the collection of Miss Bonnie Hannon. Bouquets of tulips, lilacs and irises were used on the tables to accent May-day theme. Here from Echo for the occasion were Miss Emma Giezzler, Mrs. Marie Spinning, Mrs. Luella Bohns, Henry Grader, Mr. and Mrs. Steve Westfall, Mr. and Mrs. Claude Stamper, Mr. and Mrs. Ed Liesegang, Mr. and Mrs. Stan Robertson, Mr. and Mrs. Roland Wilson, and Mrs. Margaret Jordan. From Pendleton were Mr. and Mrs. George N. Perry and Mr. and Mrs. Robert Young.

Mr. George Leger of Monument was a business visitor in Heppner Tuesday.

When you pay your telephone bill, about 28 cents of each dollar goes for taxes.

How much tax in your telephone bill?

When you pay your telephone bill each month, an important part of your money is passed on in taxes to the Federal Government and to state, county and city governments. Naturally, we expect to contribute our fair share of the cost of government... but because taxes now account for such a large portion of the cost of service, we feel we should report about them to you who, as telephone customers, have to pay them:

Your telephone is taxed in two ways: One, through the operating taxes we pay to run the business—income taxes, property taxes and the like. In 1951 these came to \$81 million for Pacific Telephone, an all-time high. Two, by Federal excise levies you pay on local and long distance service. Last year we collected more than \$70 million in excise taxes from our customers and turned it over to the Bureau of Internal Revenue.

To give you some idea of the size of our tax bill, it is estimated that the total excise and operating taxes we paid in 1951... \$152 million... could have supported all the 131 schools of higher education in California. In terms of the average telephone, this is \$35 per telephone per year... \$2.92 per month. Twenty years ago the average was 53 cents a month.

Your telephone is one of today's best bargains

In spite of sharp increases in taxes, wages, materials and other costs of providing service, we've been able to hold down the prices you pay for service... hold them so low, in fact, that the telephone today is one of the best buys in any budget.
