Cellophane tape is a marvelous kitchen accessory. Lots of uses for it! Use it to mend small tears on cook books, plastic aprons, food pages, etc. Recipe cards will last longer when edged with it. Easy, too, to tape shelf paper in place.

Before you refresh your summer curtains with a tint bath, remember to launder them first to remove all spots, mend them, if necessary, and choose an all-purpose dye which is guaranteed to work on all types of fabrics—synthetic or not.

Crisp up salad greens after washing by wrapping in a clean cloth. Or, if there's time, place in a bowl and refrigerate for an hour or two.

There's a good reason for storing eggs with the large ends up — it keeps the yolks centered. Incidentally, have you seen those handy plastic containers especially designed for refrigerating eggs?

A taste of Spring is a salad made of cottage cheese and diced pineapple, served on crackling lettuce and topped with this scrumptious real mayonnaise dressing: combine ½ cup real mayonnaise, 2 teaspoons confectioners sugar and ½ cup fresh strawberries, hulled and crushed.

Lace-nylon, silk and cotton, domestic and imported—is a bigger hit than ever in the fashion field this Spring and summer.

Fair-Minded

(Each week the Gazette Times will run a suggestion by the Morrow county Fair Board on possible exhibits for this fall's fair. It's just a reminder of ways you can help make a bigger and better fair).

Flowers seem to thrive especially well in Morrow County. Past exhibits show considerable care in being taken by those who enjoy

working in the garden. Wonder if you could be made an arrangement to have your suggestions published?
