

HERE'S DOPE ON FISHING

Fishing information will be presented each week from reports received by Andersen's Sporting Goods and the Gazette Times. Interested fishermen are urged to report stream conditions.

State game commission reports nice catches of rainbows are being taken on the John Day river near Prairie City. The middle fork of the John Day is still high.

Local anglers have had fair luck on Willow, Rhea and Rock creeks now that the water is down and clearing. Some good sized fish have been taken from all streams. Ditch creek is producing lots of fish, but many are small. The water is clear but is still a little high.

Advisory Committee To Health Nurse Meets In Ione

The advisory committee to the Public Health Nurse of Morrow county met Wednesday evening June 11 at the Legion hall in Ione. There were 15 present representing Irrigon, Boardman, Lexington, Ione and Heppner. Also present was Harold Merriman of Pendleton who is with the State Sanitary Authority.

The purpose of organizing an advisory committee is for the exchange of ideas and problems from each community and try to decide how to solve their problems. It is to be a pooling ground for ideas with representatives from every community in the county working together.

The meeting was presided over by the vice chairman Bob Cortell of Heppner. It was decided that the term of office for the officers will be one year and each community is to decide the length of the term for their representatives.

This committee will meet four times a year unless it is deemed necessary to call a special meeting.

The next meeting will be sometime in the fall at a place to be announced later.

Lehman Springs Improvements Made

UKIAH—Lehman Hot Springs resort's big outdoor pool has been given a new coat of paint which provides different under-water colors for each of the three depths in which the pool is divided.

The children's shallow pool has a sky blue bottom color, the next depth for grown ups is a more intense blue while the bottom of the deep section of the pool is white.

As another part of the spring improvement program at Lehman, Manager J. Vandelaar is having all of the resort's 14 cabins spray painted, a chlorinator installed for the pool and several modern bath rooms built for both men and women. These are in the lodge and are for natural mineral baths.

This fall it is planned to build at least three additional cabins at the resort and to make a number of other winter improvements. An entire program of year-round activities has been planned, including the care of hunting parties following a summer of fishing, swimming, hiking, riding, picnics and other vacation-time activities.
