

MORROW PLACES THREE ON EAST TEAM FOR SHRINE ALL-STAR GAME

The Western All-Stars will hold a 5 lb. per man weight advantage over their Eastern opponents when these two teams clash Aug. 30th in a Shrine Hospital benefit game at Pendleton's Round-up park.

Boasting an average team of 180 lbs., head coach Bill Patterson of Gervais plans to avenge the beating he received last year in the Class B finals when he lost to Wallowa and Eastern coach Dan Rollins. Chas. Moore, Creswell will be his assistant coach and Walter Fallon of Pendleton will serve as both manager and trainer for the Western team.

When informed of his weight handicap, Dan Rollins laughed it off with "Any-time I can field a team of 175 pounders, I'm more interested in what the boy has inside of him than any extra poundage and I've got some of the finest boys on my squad that ever trotted onto any gridiron. I beat Patterson last fall and with Tom's help I'll do it again." (Tom Johnson, John Day will be his assistant coach.) Roy Tatum of the Eastern Oregon College at La Grande will handle the training chores for the East team.

A glance at the roster will verify his statement that he does have a lot of good material, but he will also have some real competition. Every boy on both squads has been a star on their own teams, some of them for three years of high school competition and kickoff time will see what is probably the most talented assemblage of high school football players ever assembled on any Eastern Oregon field.

- The roster of the East team, which follows, includes two boys from Heppner and one from Ione. (E) Ira LanLevien, John Day. (B) Edward Clark, Wallowa. (G) Bobt. Ledgerwood, John Day. (E) W. Gardner, Canyon City. (G) Frank Hesling, Maupin. (C) Lyell E. Metcalf, Maupin. (G) Clarence Boston, Joseph. (T) Carl Hauser, Wallowa. (B) Neil Hunt, Maupin. (G) Ralph Graham, Wallowa. (B) John Wagner, Heppner. (G) Richard Hite, Nyssa. (BG) L. Minthorn, Pilot Rock. (E) Marvin Connor, Heppner. (Q) Gary Burton, Elgin. (B) E. Nelson Homedale, Ida. (E) Glenn Miller, Elgin. (B) Vernon Dennis, Richland. (B) M. Schmidtgaill, Athena. (B) Donald Eubanks, Ione. (E) Wayne Rick, Malin. (T) Harry Frasier, Enterprise. (B) Clark Jones, Telecast. (T) Norvah Lane, Moro.

Across The Counter By Frank & Van "Why have automobile insurance rates gone up in the past few years?" a client asked earnestly. "It can't be all due to increased costs of repairs and larger jury awards." "You're 100% right," I replied, "the biggest single item is simply MORE ACCIDENTS than ever before. In other words, the drivers themselves, and that means all of us, make the rates." "What accounts for the increase in accidents?" he asked. "Well, of course, there are more cars on the road than ever before," I replied, "but the chief cause is just plain carelessness, along with lack of caution, and excessive speed." "We should all be more careful," my client commented, "or we may price auto insurance out of the market." "Right again," I said, "the insurance companies are worried about it. They would welcome the chance to lower the rates if accidents declined. Naturally, though, they have to base their rates on their actual loss experiences." Watch your driving. Keep your own losses to a minimum. Then we'll bring about lower auto rates. TURNER VAN MARGER & CO. INSURANCE BONDS REAL ESTATE NOTARY PUBLIC Heppner Phone 152
