What makes Olympia so popular?

Light Olympia, like the beers of Munich and Burton-on-Trent, is famous for quality . . . and largely for the same reason . . . "It's the Water."

Premium quality hops, grains and yeast are used.

Final touch of perfection is the skillful brewing gained through three generations of brewing experience.

Commercial displays are a very definite part of any fair and through them new methods of farming and home economics are a definite symbol of progress. Their cooperation is appreciated.

Don't miss the livestock judging. Bring your straw hat or umbrella. The sunshine is good for you. The style show of 4-H'ers is a real treat too. Be seeing you next Thursday.

RESOLUTION OF RESPECT

To the Officers and members of Willow Lodge Number 66.

WE THE COMMITTEE, assigned the duty of drafting a written expression of condolence on the passing of a Brother to the life beyond, reports as follows:

WHEREAS, it is the plan of the Almighty that man shall finish his duties on this earth, and then departed to the unknown; so it is with the life and passing of our beloved Brother Kelly, a member of Willow Lodge Number 66. His passing is deeply regretted by our lodge and many others in Heppner. His beloved family will mourn his absence, but we would say to them that their loved one only sleeps awaiting their arrival when they too shall cross the silent river.

THEREFORE BE IT RESOLVED that we express our sympathy to the bereaved family and be it

RESOLVED that a copy of these resolutions be sent to the brother's family, one copy spread on the minutes of our lodge, and a copy sent to the Heppner Gazette Times.

PORTLAND, OREGON

September 4 Set As Calf Selection Day

September 4 will be "Holstein Calf Selection Day" at the state fair in Salem, announces Cal Monroe, state 4-H agent at Oregon State College.

Top quality registered Holstein-Friesian heifer calves have been chosen throughout the state by members of the Oregon State Holstein association. These animals will be on display at the fair dairy barn from September 1 until noon of September 4.

An impartial judge will study the animals and their pedigrees, and then set prices on them ranging from \$150 to \$300. All 4-H and FFA members and veterans who are eligible to buy will draw numbers to determine the order of selection.

To be eligible to buy one of these foundation heifers, the boy or girl must not own more than one registered Holstein female, must be able to use a female and her future offspring to good advantage and must have registered for the event in advance.

Attention Farmers -- Cattlemen

IN THE TRADE AREA OF IDAHO, OREGON, UTAH, NEVADA

The Pioneer Service Company that represents the largest organization of business and professional men in the Northwest is calling your attention to a condition that is quite serious for the local merchants, doctors, hospitals, and druggists.

That is: paying your bills once every six months or once a year.

A. Do you realize that your grocer pays for his groceries once a week, or twice a month?

B. Do you realize that virtually all the merchants have to pay their bills every 30 days?

C. Do you realize that the gas and service stations (or a lot of them) pay every time that gas is dumped?

D. Do you realize that your doctor, your hospital, and your druggist, have to pay not only their wholesale bills

but also their own personal bills every 30 days, and that when any of these merchants carries a customer over 30 days on his books his profit is gone, and he is losing money on his investment?

E. Do you realize what it costs to send statements? After the second statement is mailed out, it costs from 35c to 40c a statement. It is the handling charge on the money that really counts, not the paper, the stamp, and the time it takes to send it out.

So, why not quit taking advantage of your merchants and professional men, and cooperate with them by paying your bills sooner, and thus help the financial rating of your trade area as well?
