Aero Willys

FARLEY MOTOR COMPANY

You may like your present car... but this Aero Willys you're going to LOVE!

Come in and take a low-and-lovely Aero-Wing or Aero-Ace out on the road.

Take it easy at first. That's no ordinary engine under that down-swept hood—it's the power-crammed F-head Hurricane 6—and it will sprint from 20 to 60 in a matter of seconds.

Head into a hairpin curve and feel the roadsteadiness you get with a 23-inch center of gravity. Idle it down, then stomp on it.

See how Willys' exclusive rubber-cushioned

drive system swallows up tremor and vibration.

Drive at normal speed over rough, bumpy road and you'll say we're modest in calling it an "airborne" ride.

Check all else you get in an Aero Willys: Visibility that lets you see all four fenders. Seating width, front and rear, 61 inches. And mileage with the Hurricane Engine and overdrive* that, speed for speed, under the same conditions, surpasses every other six-passenger American car!

Fall in love with it? You'll be wild about it! Come on in... try it!

Specifications and trim subject to change without notice. *Optional equipment, white sidewall tires extra.
