Many Awards Won By Monument 4-H

By Millie Wilson
 Everyone is pleased to know that Joan Beardsley won Grand Champion on her canning in the 4-H Club work.
 Mrs. Hooker, leader of the 4-H Sewing and Cooking projects in Monument reports her girls made a very good showing at the County Fair. The ribbons received in cooking were blue ribbon to Nestle Davis for Angel Food Cake; blue ribbon to Karie Hooper for Bread; Red ribbon to Sharon Hinton for Angle Food Cake; red ribbon to Theo Mae Vandette for Angle Food Cake; red ribbon to Laura Lee Shank for Cup Cakes; white ribbons to Vesta Hunt and Barbara Williams for Cup Cakes.
 In 4-H Sewing the blue ribbons went to Sharon Hinton, Judy Stirewalt, Diana Stirewalt, and Karie

Hooker. Red ribbons went to Theo Mae Vandette and Nestle Davis.
 In modeling Karie Hooker received a blue ribbon and Mamona Hooker received a red ribbon.
 The writer was unable to get the records on the 4-H Animal Clubs at this time.
 Several bids were received by the R. E. A. on the Mitchel section. Walton-Brown Electric Co. of Salem had the lowest bid, so it was accepted. The contract is now in Washington, D. C. for R. E. A. approval.
 R. E. A. plans and specifications on the Service Creek to Hamilton area have been approved and bids will be opened about October 10th. Construction to start about December 15th.
 The regular meeting of the R. E. A. membership will be held in Monument this year.
 A new Generator unit is in operation in Spray. It consists of two generators each of which is almost twice as large as the old one. This furnishes Spray with adequate power until the main line is completed.
 Mr. and Mrs. Mead Gilman Sr. made a trip to John Day on Saturday and again Monday. Mrs. Gilman was receiving medical aid at the John Day medical center.
 Mr. and Mrs. Walter Hanthorn of Portland came to Grant county last week. Mr. Hanthorn, who is a nephew of Mead Gilman, drew the plans for the heating plant in the new courthouse at Canyon City. He was here to check the work already done. Mr. and Mrs. Hanthorn were overnight guests of Mr. and Mrs. Mead Gilman in Monument.
 Mrs. Evelyn Sweek and her sister, Mrs. Stella Reynolds and children drove to Seattle to meet Mrs. Sweek's husband, Clayton Sweek on his return from Korea.
 Mr. and Mrs. Earl Sweek and Mr. Sweek's mother, Mrs. Alfred Claude of Long Creek, attended the funeral services for Herbert McDaniel in Heppner last Thursday. Mr. McDaniel was a nephew of Mr. Sweek and a grandson

of Mrs. Claude. Archie Sweek of Long Creek brought his mother to Monument early Thursday morning.
 Floyd Wilhelm who is employed by A. W. Guddat, had his foot injured when a heavy piece of iron fell on his toes, breaking three of them. Mr. Guddat took him to Heppner for medical aid.
 Mr. and Mrs. Bill Settle were business visitors in Pendleton on Thursday. They returned with a new Buick car.
 Mr. and Mrs. Bob Gienger who are opening the cafe in Monument this week are driving a new Jeep pickup.
 Mr. and Mrs. Floyd Leathers of Long Creek stopped in Monument last Tuesday. They were on their way to Kimberly for peaches.
 Al Hoffauber of Salem was a business visitor in Monument on Tuesday and Wednesday. While here he was a guest of Mr. and Mrs. A. W. Beardsley.
 Mrs. Josephine Howell was an overnight guest of Mr. and Mrs. Chance Wilson last Tuesday. Mrs. Howell had just returned from La Grande where she attended the Teachers Institute.

The barrel that can't be emptied

Many a man can remember reading by kerosene lamp. For however fast time speeds by, it hasn't been very long since lamps played an important part in lighting the homes of the West and Standard was a small company proud of its ability to get from 5 to 10 gallons of its principal product, "coal oil," from a barrel of petroleum.

Count a few of the hundreds of products made from oil today! Almost every item in this picture, for example, comes directly or indirectly from oil: (1) the enamel on stove, refrigerator and cabinets, (2) the dryer in the wall paint, (3) the plastic in the clock cover, curtains, apron, (4) the linoleum, (5) the drainboard covering at the sink, (6) the detergents used in washing—(7) the finish on the car and (8) the synthetic rubber of its tires. Add to these asphalt for paving and roofing, insecticides, cosmetics, dry cleaning solvents . . . and, of course, steadily improving gasolines and motor oils . . . and you begin to see how important oil has become. More than 1100 products are now being made from petroleum by Standard Oil Company of California, and others are on the way. We have spent \$35,000,000 in research and technical service in the last 5 years alone . . . to make a barrel of oil truly "a barrel that can't be emptied" in terms of the good things it contributes to your daily living.

STANDARD OIL COMPANY OF CALIFORNIA plans ahead to serve you better
