

### Mustangs Ready For Battle With Umatilla Friday

Heppner high school's Mustangs go away from home this Friday to take on the Umatilla Vixens in the season's second encounter. Two weeks ago they rolled over the Pilot Rock squad 25 to 13.

Heppner has a pessimistic attitude due to the loss of two starters, Roland and Russell Taylor through injuries suffered in an intra-squad game last Friday. Coach Steve Trukositz said that it may be possible that Russell, out with a broken finger might see limited action Friday, but Roland is out for the season with a back injury. Probable replacements for the two boys are Dick Williamson for Russell and Lyle Jensen for Roland.

The probable starting lineup for Heppner is:

- Jack Sumner, FB.
- Wendell Connor, RH.
- Lyle Jensen, LH.
- Jim Green, QB.
- Bill Hughes, E.
- Dick Kononen, E.
- Larry Mollahan, C.
- Ralph Marlatt, G.
- Wesley Marlatt, T.
- Roger Palmer, G.
- Dick Williamson, T.

Others who will probably see action in Friday's encounter are Al Parent, John Brosnan, Eddie Brosnan, Jim Hayes, Deane Graves, Jim Wightman, Terry Thompson, Jerry Haguewood, Jim McClintock, Pete Slocum and Ronald Curran.

### Heppner Ponies Win Over Condon 6 to 0

The Heppner Ponies were victorious over Condon in their first appearance of the season last Friday when they won from the Condon grade school grid squad 6 to 0.

The Ponies, hampered by penalties which cost them two touchdowns early in the game, roared back to paydirt in the third period on a plunge by fullback Ed Olson from the 5 yard line. Heppner had 11 first downs to six for Condon and were consistently in Condon territory.

Captain Jerry Dougherty and Ed Olson were the Ponies' big guns while in the "green" line. Roy Hughes and Dean Connor stood out.

Coach Jim Peterson has been contacted by the Weston grade school and games are now in the making with that team for future dates.

Peterson also stated that the loss of Burke Gentry will hurt on both offense and defense but that the boys are working hard on tackling and blocking and are in good spirits.

### Lexington Loses to Umapine 21 to 18

Umapine's six-man football squad edged out a 21 to 18 win over Lexington last Friday in the first home game of the season. Failure to convert any point after touchdowns, while Umapine made all their attempts good, gave the margin of victory.

Franklin Miles, Larry Groves and Bob Steagall were credited with the Lexington touchdowns.

Next Friday Lexington travels to Boardman for their next game.

### Lexington Implement Wins Sales Contest

Mervin Leonard, owner of the Lexington Implement company received word early this week that his organization had won second place in a Portland district sales contest for International-Harvester refrigerators and freezers. The prize is a trip for two to the Bahamas.

Leonard said that Mr. and Mrs. Randolph E. Lott will leave next week for New York City where they will sail October 11 for an eight-day tour of the islands. Lott is in the sales department of the Lexington Equipment.

This is the second year in a row that the Lexington company has received similar awards. Last year they placed first in the district and Mr. and Mrs. Leonard received a trip to Cuba.

### THE METHODIST CHURCH

J. Palmer Sorlien, Minister

Thursday Choir Practice at 8:00 p. m.

Mrs. Charles Gomillion has accepted the position as secretary to the county health nurse formerly held by Mrs. William E. Davis who has moved to Sweet Home where she is teaching. Davis is attending Oregon State College.

### Arthur W. Bergstrom Raised to Commander

Arthur W. Bergstrom, son of Mr. and Mrs. Carl F. Bergstrom of the Gooseberry section was recently promoted from Lieutenant Commander to full Commander in the U. S. Navy.

Cmdr. Bergstrom served as commanding officer of a destroyer escort during World War II and was recalled to active duty by the Navy in February 1951. He is presently commanding officer of the naval reserve training center in Everett, Wash. The unit in Everett recently won the competition for excellence in training for the 13th Naval district and will compete for national honors with the winners of other districts in the nation.

### Oregon Vets Bonus Deadline Nearing

Only two months remain to apply for the Oregon World War II veterans' bonus, the Department of Veterans' Affairs warned today. Applications must be filed on or before December 1.

The state veterans' department, which administers the bonus, said applications filed after the deadline will be invalid.

Families of Oregon veterans who died in service or following discharge were reminded of their entitlement to the bonus, which pays up to a maximum of \$600 for active duty of men and women who were bona fide Oregon residents for at least one year prior to service.

Eligible survivors include, priority, the unmarried widow; the children; and the parents of the deceased ex-serviceman. No others are entitled.

The veterans' department has received about 114,000 applications, against 140,000 potentially entitled to apply, leaving an estimated 26,000 veterans or next of kin who have not yet filed claims. Veterans currently are applying at a rate of less than 200 a day.

The bonus act pays \$10 for each month of domestic service and \$15 for each month of foreign or sea duty; or honorable service of 90 days or more between Sept. 16, 1940, and June 30, 1946. Veterans discharged for service connected disabilities who filed claims with the Veterans Administration within 90 days of discharge and were rated 50 percent or more disabled as the result of such claim, at any time prior to applying for the bonus, are entitled to the \$600 maximum.

## 4-H CLUB NEWS

With fairs over for the year and the end of the Club year fast approaching 4-H members will soon be turning in 4-H club record books and preparing for a new club year. Record books are being accepted at the county agent's office now.

First agricultural member to turn in her record book was Ingrid Hermann, Ione. Ingrid has completed her tenth year of club work one of a very few who have that honor in Morrow County. Members of the Ione Chick and Bunny Club, led by C. D. McCabe, are the first club to complete and turn in agricultural records.

With the coming of the new Club year, many 4-H club members are thinking of projects they will carry. Past the thinking stage are club members Dickie Ekstrom, Ione, who has three Hereford steers on feed; Janet and John Howton and Shirley Peck each with an Angus steer on feed and Bill Brannon who has one steer on feed, another to go on feed this week. Bill, also, has purchased a Hampshire ewe recently, which with his Spotted Poland China gilt caught at the pig scramble will give him a variety of projects.

Calves on feed by Dickie Ekstrom were purchased from the Delbert Emer herd, Ione. One will be fed for The Dalles show with two for County Fair. The Angus purchased by Janet and John Howton and Shirley Peck were raised by Mrs. Ola Jones of Buttercreek. Janet and John plan to exhibit and sell their steers at The Dalles, while Shirley will show her calf at County Fair.

Members who are planning to buy steers or other animals for projects this year should be on the lookout for them now for best choice.

We hope everyone is behind our 4-H judging teams that will leave Friday for P. L. The livestock judging team that won the Rhina Kramer trophy over 4-H

### Pole Frame Buildings Find Favor in Oregon

Oregon farmers are showing a growing interest in pole frame out-buildings, M. G. Huber, CSC extension agricultural engineering specialist, reports.

Pole frame construction reduces the cost by about one-half over the conventional building method the specialist explains. It can be used for dairy and beef cattle, sheep sheds, for hog houses, loafing sheds, poultry houses, machine sheds and other miscellaneous types of farm shelters.

In putting up these buildings, pressure-treated poles or poles treated with wood preservative are set in the ground to serve as the first part of the framework. These treated poles will last from 35 to 50 years or longer.

Plans for a one-story pole frame farm building 24 feet wide, and for a large pole frame barn, 52 feet wide, can be obtained from county extension offices.

Teams from five states are ready to bring it back again. They have been doing some judging recently as a F. F. A. team, instructor Jim Allen reporting their doing well. They were first in livestock judging at the Pendleton Rotary Club sponsored show and sale at Pendleton last Saturday.

New judging teams to participate at P. L. this year are Dairy and Home Economic teams.

NEED Envelopes, Phone 882

Mr. and Mrs. Harold Scritsmier and family of Portland were week end visitors in Heppner. Mrs. Ada Cason who has been visiting here during the past week returned to the city with the Scritsmiers on Monday.
