Umatilla Bows to Mustangs; To Tackle Stanfield Friday

The Heppler Mustangs continued their winning ways last Friday when they walloped the Umatilla Vikings 25 to 6 on the new turf field at McNary. The local eleven opened the season two weeks ago by defeating Pilot Rock 25-13.

Wendell Connor opened the scoring for the Mustangs in the first quarter when he broke loose for a 60 yard run. By the end of the first half, Jack Sumner had added two more tallies on the scoreboard and Al Parent kicked one extra point to bring the score to 19 to 0.

Umatilla came back in the third quarter with Stan Johnson scoring on an end run from 25 yards out to give the Vikings their only points for their afternoon's work. In the last period, Connor again reached pay dirt to bring the score to 25-6.

Adventist Women to Meet in Pendleton

Seventh-day Adventist women who have handed themselves together for welfare work in an organization known as the Dorcas Society, will meet Oct. 12, 1952 at 10:00 a. m. in Pendleton, Oregon, at the Seventh-day Adventist church, Mrs. Elsie Huston announced here today. The Heppler church is a member of the South Central Federation of the Upper Columbia Conference of Seventh-day Adventists. It is expected that 300 women will make their trip to Pendleton. A film entitled "Reaching for Heaven", will be shown at 2 p. m. This film was produced by the Lutheran church.

Last year the local society contributed heavily to the overall Adventist Charities program, according to Elder James E. Chase of Spokane, Secretary of Adventist Charities, Inc. According to the report, Pastor Chase said that in 1951 there were 26,436 families or individuals helped by their organization. The total cash value of clothing, food, hours of welfare work and medical and home treatments amounted to nearly \$125,000.

"We are trying to relieve suffering, comfort broken hearts, and in general be good neighbors to the world", Mrs. Huston said. "We recently sent boxes of food and clothing to our warehouse in California. These have been sent to Korea. But we feel that 'charity begins at home', so we do all we can to relieve destitution right here whenever it is discovered."

Any gift of food, clothing, or money, to be used for welfare purposes would be welcome, Mrs. Huston said. Her phone number is 1144.

"The Dorcas workers receive no salary. The only remuneration we have is the joy that comes from serving others," Mrs. Huston said.

WCSA PLANS BAZAAR

November 22 has been chosen by the Women's Society of Christian Service of the Methodist church as the date of its annual bazaar, according to an announcement by Mrs. Whitmer Wright, president. A feature of this year's bazaar will be a post-mark sale. Members will secure packages from their friends in distant states and these will be sold for a small sum. The proceeds of the bazaar will go toward the purchase of new folding chairs for use at the church.

Ione 11 Drops Friday Game to Moro, 18-7

Coach Gene Gehrke's Ione footballers went down to defeat last Friday at the hands of the Moro eleven by a score of 18 to 7. They had won their first game of 11-man football last week by downing the Pilot Rock squad the week before 19 to 6.

Moro scored first in the first quarter, but Ione came back in the second period to reach pay dirt on a pass from Duane Baker to Rich Rhea. Baker kicked the extra point to put Ione ahead at halftime 7-6. Moro continued to run however, punching over TDs in each of the third and fourth periods.

The Ione squad will travel to Umatilla this Friday to tackle the Vikings on their home turf.

Mr. and Mrs. Stephen Thompson left Tuesday to spend the week in Portland attending the Pl.

Mrs. Ted Smith is working as receptionist for Dr. Wallace Wolfe.

HOME EXTENSION UNIT TO MEET

The Heppler Extension Unit will hold its first meeting of the club year Tuesday afternoon, October 14th at 1:30 o'clock at the home of Mrs. Douglas Drake. Mrs. Maude Caswell, county extension agent, will present a paper on "Streamlining Your Housework and You." Mrs. Eugene Ferguson, president, urges a large attendance.

According to word received Monday, Rev. Francis McCormack of St. Patrick's Roman Catholic church has landed in New York and is expected to arrive in Heppler the last of the week. Rev. McCormack spent the past several months visiting relatives in Ireland. His mother died in Ireland just before he sailed for the United States.

Mr. and Mrs. Harry O'Donnell Jr. returned Sunday evening from a fortnight's tour of the national parks. They visited Bryce Canyon, Zion National Park and Grand Canyon in southern Utah and Colorado and continued north to Yellowstone National Park. Mrs. O'Donnell reports that it was a fine trip but that Oregon scenery far exceeds any of that included on their tour.

Mr. and Mrs. J. O. Turner re-

turned Tuesday from Portland where they spent the weekend on business and visiting with their son, Don, and family.

Mr. and Mrs. Robert Grabil were in Seattle over the weekend.

But, when Fire is out-of-bounds It is a deadly foe— Destroying all it touches; Bringing only grief and woe!

To keep all fires friendly, We must always be on guard The cost for this is cheaper and the work is not so hard!

Monday, September 29, 1952—Ellery Sills, President of the Oregon Highway Council, the organization which placed the highway tax initiative measure on the ballot that is under fire in a suit in the tax initiative measure of Marion county, circuit court of Marion county, brought by Ben Chandler, chairman of the Oregon Highway Commission and others, today endorsed the suit and others today expressed their objectives of this suit and expressed the hope that the court would decide in favor of the plaintiffs.

"This suit," he stated, "asks that a price be placed on this law—that is, that under the provisions of a 1951 act, there be a statement printed on the ballot giving the amount of revenue that will be affected by its passage. This figure is arrived at by a committee composed of the Secretary of State, the State Treasurer and the Executive Secretary to the Governor.

"Attorney Gen. George Neuner has ruled that the provisions of the act do not apply to this particular measure, and we have been willing to abide by his decision.

"However, we see in this suit a means for getting a fair and impartial estimate of the public and the presented up of fantastic and irrational claims that are now being made. We hope the suit is successful, and offer any assistance in our power.

"We want only a fair and impartial presentation of this problem, and will do everything possible to bring it about."

On Saturday, September 27, the following news release was issued to the Portland newspapers and news services—

WE BELIEVE THE SUIT WAS FILED FOR PUBLICITY PURPOSES TO FOCUS ATTENTION ON OUR OPPONENTS' CLAIMS. THESE CLAIMS ARE SO EXAGGERATED AND UNTRUE, WE WELCOME THIS SUIT WHICH WILL ESTABLISH A TRUE AMOUNT AFFECTED BY THIS LAW.
