every family is entitled to...
**RICHER MILK...
LOWER PRICES
Vote 332 X YES
for a FAIR MILK LAW**

The MILK PRODUCTION AND MARKETING ACT on your November ballot will give the people of Oregon a FAIR milk law—fair to consumers and producers alike. It will do away with state enforced milk prices, by which the present unjustified middleman's margin is protected by law. It will permit the lower pricing of cash-and-carry milk, relieving store customers from paying the higher costs of home delivery whether they use it or not. It will protect fair farm prices.

Don't be deceived by these LIES about the new milk bill

A reckless, unscrupulous minority of selfish interests is telling barefaced lies about milk. These interests are preying upon the fears of Oregon mothers for the health of their children.

Behind a misleading front of baby pictures they make a false emotional appeal. They hope this will keep you from forming judgments based upon the truth. We herewith quote some of these lies and accompany them with verified facts.

The lies are quoted directly from campaign literature of the minority group of milk interests leading the fight against the new milk bill.

LIE No. 1 "Baby's sanitary milk supply endangered."

This is a downright falsehood, as shown by the following statement by Dr. Thomas Meador, Portland city health officer: "Sanitary regulations for milk are set up by the state department of agriculture. Repeal of the present milk control law in favor of the proposed new law backed by the Affiliated Milk Committees of Oregon would have no effect whatsoever on the sanitary requirements set up by the state law. In addition to the state regulations on purity of milk, Portland has its own milk code, the operation of which would be affected in no way by repeal of the milk control law."

LIE No. 2 "The new substitute milk control initiative... could disrupt your steady milk supply" and "put Oregon's many small dairymen and distributors out of business."

Lie No. 2 is a complete reversal of the actual facts. While our population has increased by almost 60% our dairy farms have decreased by 19%, the number of dairy cows is down 23% and our milk production has decreased nearly 8%. Here are the figures from "Agricultural Statistics" issued by United States Bureau of Agricultural Economics:

NUMBER OF FARMS IN OREGON	
All Farms Dairy Farms	
1930.....	51,958 8,150
1950.....	59,827 6,618
While the total of all farms increased 15% the number of dairy farms decreased 19%.	
NUMBER OF DAIRY COWS IN OREGON	
1934.....	263,000
1951.....	202,000
This is a decrease of 23% since 1934.	
MILK PRODUCED IN OREGON (in pounds)	
1934.....	1,323,000,000
1951.....	1,208,000,000
This is a decrease of over 7 1/2% since 1934.	
POPULATION IN OREGON (Oregon Blue Book)	
1930.....	953,786
1950.....	1,521,341

During the decline of the dairy industry in Oregon the population increased 59 1/2% over almost the same period.

How has Oregon made up this deficiency in its milk supply? The answer is largely in the fact that Portland gets the greater part of its milk from the neighboring State of Washington, which has no state controls that limit milk production.

The Oregon Producer-Distributors Association, composed of small dairymen who produce and distribute their own milk, has announced its support of the new milk bill with these words:

"Under Oregon milk control (in effect since 1934) the number of producer-distributors has shrunk from 600 to less than 100. Unless we organize we will find ourselves out of business."

In the face of these facts the noisy opponents of the new milk bill are claiming to be the friends of the small dairymen.

The first fall meeting of the local P-TA was Thursday evening October 9th with president Mrs. Russell Miller, presiding. Speakers for the evening were Mr. Chas Tom, Judge Barratt and Supt. L. Grant, Heppner.

Mrs. Earl Briggs underwent surgery in the St. Anthony hospital, Pendleton Tuesday.

House guests last week at the Clyde Tannehills were Mr. and Mrs. Bert Avery, Glendale, Calif. Avery and Tannehill were postmen together for many years in Glendale. Thursday the two couples motored to La Grande for the day at the Donald Tannehill home.

The Grange Booster night will be observed October 25th at the Grange hall with Lecturer Mrs. Mabel Forthman in charge. The ladies drill team will put on the Grange seating drill, there will also be a skit and musical numbers. Everyone welcome.

Donald Gillespie, student at EOCE, La Grande spent the weekend with his parents Mr. and Mrs. Z. L. Gillespie. Donald returned to La Grande with Mr. Drake who had spent the weekend in Portland.

Mr. and Mrs. Edd Skoubo has completed moving from their farm recently sold, to their home west of town. Mr. and Mrs. Dick Linnette and family of Spokane, who purchased the farm have taken possession.

Miss Nancy Rands, student at OSC, Corvallis, spent the weekend with her parents Mr. and Mrs. R. A. Rands.

Mr. and Mrs. Jim Luhrs and family, Yachats, Oregon were overnight guests Saturday at the Edd Skoubo home. The Luhrs had been in La Grange and hunting for the past week. Mr. Luhrs and Mrs. Skoubo are brother and sister.

Mr. and Mrs. Neal Benson, The Dalles were guests three days last week at the home of Bensons brother and sister-in-law, Mr. and Mrs. W. W. Benson.

Mrs. Ronald Black, FFA teacher and Leonard Olmstead left Friday for Kansas City, Mo., where they will attend the National Future Farmers of America conference.

Mrs. Eileen Anderson is substituting in the school room for Mr. Black.

Miss Marlene Flisk was called to Arlington Saturday by the death of her grandfather, Mr. Flisk.

Mr. and Mrs. Max Deweesse, of Grandview, Wash., were Monday callers at the Leo Root home.

Rev. Joe Dixon Umatilla and Rev. Morton Stanfield will be in charge of the meeting at the Boardman Community Church on Thursday evening, subject to be "All Church Education Assembly for Sunday Schools". There will also be two sound film strips,

"God Speaks to You" and "Not in Headlines". A pot luck dinner at 6:30 p. m. will precede the meeting.

Grange Booster night program will be at the Grange hall Saturday evening October 25th. The ladies drill team will put on the Grange seating drill; there will also be a skit and several other numbers, all under the direction of Grange Lecturer Mrs. Mabel Forthman.

Local News In Brief

(Too Late for Last Week.)

Mr. and Mrs. Walter Clubine of Portland returned to their home Sunday after visiting here for several days with her brother, Walter Wright and family and other members of the Wright clan. Mrs. Clubine will be remembered locally as the former Myrtle Wright.

Mr. and Mrs. A. B. Elde were in Walla Walla Sunday and visited with Mrs. Barton Clark, who is recovering from polio in St. Mary's hospital. She is responding to treatments and hopes to return home in about a month.

Mr. and Mrs. Frank Anderson and sons, Eric, Stephen and Charles, drove to Portland Sunday to spend several days on business and pleasure.

Sunday visitors at the Oliver

Creswick home were Mr. and Mrs. Paul McCoy and children of Hermiston and Mr. and Mrs. Dwaine Gentry of Milton.

You may like your present car... but this Aero Willys you're going to LOVE!

Come in and take a low-and-lovely Aero-Wing or Aero-Ace out on the road.

Take it easy at first. That's no ordinary engine under that down-swept hood—it's the power-crammed F-head Hurricane 6—and it will sprint from 20 to 60 in a matter of seconds.

Head into a hairpin curve and feel the roadsteadiness you get with a 23-inch center of gravity. Idle it down, then stomp on it.

See how Willys' exclusive rubber-cushioned

drive system swallows up tremor and vibration.

Drive at normal speed over rough, bumpy road and you'll say we're modest in calling it an "airborne" ride.

Check all else you get in an Aero Willys: Visibility that lets you see all four fenders. Seating width, front and rear, 61 inches. And mileage with the Hurricane Engine and overdrive* that, speed for speed, under the same conditions, surpasses every other six-passenger American car! Fall in love with it? You'll be wild about it! Come on in... try it!
