Let's Rid Oregon of Commercialized Gambling!

WHY YOUR VOTE FOR 326 X YES Will Help to Make Oregon a Better State

1. This is the Constitutional Amendment to make pari-mutuel betting on the result of dog and horse racing illegal. It is on the ballot because 35,000 voters signed petitions to put it there. Other types of gambling, such as lotteries and gambling devices, are already banned by law in Oregon. YOUR VOTE FOR 326 X YES will strengthen these laws.
2. At present police arrest operators of even a 10 cent lottery, but the state legislature permits betting on dog and horse racing. For 60 nights each summer betting on the speed of a kennel of Greyhounds at the Multnomah stadium in Portland averages more than \$250,000 per night! LETS BE CONSISTENT! If lotteries are wrong, betting on dog and horse racing is just as wrong, and should be banned. 326 X YES WILL DO IT!
3. For 20 years the operators of dog and horse racing have kept control by dividing their gambling profits with our state and county fairs. A PRACTICE THAT IS MORALLY WRONG. DOES NOT GAIN MERIT BECAUSE SOME OF ITS TAKE IS USED FOR WORTHY CAUSES. VOTE 326 X YES!
4. Our State and county fairs will not suffer. We had good fairs before we had pari-mutuel betting and many fair leaders say that expenses can be paid from operations. It will not amount to more than 58 cents per person per year! VOTE 326 X YES!
5. For every \$1.00 that goes for socially approved purposes, an additional \$27.00 (figured on the gross), goes to the gambling interests. Which is more important to YOU as an Oregon Voter . . .

1. The moral integrity of our state, or . . .
 2. To be dependent on gambling revenues?
- YOUR VOTE ON 326 X YES WILL RESTORE OUR MORAL INTEGRITY AS A STATE
