Don't Be HALF-INFORMED

KNOW THE WHOLE TRUTH ABOUT THE TRUCK TAX BILL

VOTE 330 X YES

FOR A FAIR AND EQUITABLE TRUCK TAX

FAIR BECAUSE it will require each type of vehicle to pay its proportionate share of taxes.
FAIR BECAUSE it will not change the amount of money paid by trucks...it changes the taxing method only. All charges will continue to be set by the Legislature, as in the past.
FAIR BECAUSE it will not increase registration fees and fuel taxes on private automobiles.
FAIR BECAUSE it will not change the status of farm vehicles.
FAIR BECAUSE it will not shift road-tax burdens from one type of carrier to another.
FAIR BECAUSE it will not impair the present Oregon Highway Commission's construction program nor impede Oregon's long-term highway planning.

This Law WILL NOT INCREASE private car licenses or gas taxes

END THE TRUCK TAX MESS!

International L-160 series available in GVW's from 14,000 to 16,000 lbs. 130, 142, 154 and 172-in. wheelbases. Many body styles available for farm work.

Drive the truck that fits your farm!

Internationals are built by men who know farm needs. That's why the International truck you buy for your farm is perfectly fitted to the job.

Here is the ruggedness a hard-working farm truck must have, plus unequalled dependability, extra years of efficient, economical service.

Come on in and let us help you find "the International that fits your farm."

Why farmers want Internationals:

- Silver Diamond valve-in-head truck engines are rugged, packed with extra power. Engineered to save you plenty on operating and maintenance costs.
- The roomiest, most comfortable cab on the road—the Confo-Vision Cab. One-piece Sweepstair windshield. Green-tinted, non-glare safety glass available.
- Supersteering system—more positive control. Wider front axles make possible full 37° turning angle for greater maneuverability.
- 115 basic models... everything from 1/2-ton pickups to 70,000 lb. GVW ratings. Chassis adaptable to a wide variety of body types.

Right for the farm. The AD-A-RAK adds real utility to your International pickup. Available for 6 1/2, 8, or 9-ft. pickup bodies.

Use it hard! The International L-160 series is famous for its stamina. Stake body sides removable for flat-bed utility as shown.

Better roads mean a better America
